

Reveal Federal Vaccine Plan

NOTES FROM A CITY EDITOR'S DAYBOOK—Too often public employees are pictured as hogs feeding at the tax troughs.

It is common practice to label them as indolent, non-producers who somehow get on the public payroll through politics.

Quite to the contrary, a good share of our public servants are working for the public good, safety and convenience. It's the public that has become neglectful. The average taxpayer doesn't give a hoot about inquiring into the average functions of a public official. More than that, 40 per cent of the taxpayers fail to vote for them.

Let's take a look at one area of Dixon's municipal government where results have been noticeable and dramatic. We refer to the recent action of the police department to crack down on speeding motorists. Although statistics are sometimes tricky, particularly when they cover a short period of a year-around operation, nevertheless Dixon's accident rate has experienced a sharp drop in the past three weeks.

Our reporter, digging around for results of the recent "crack-down" on speeding, found that the automobile accident rate had dropped 50 per cent in the period covered by the "crackdown." He also noted that severity of the accidents that did occur was noticeably lessened.

All this means is that the police have been on the job, have slowed traffic to the required limits, and got the look-for results. Praise for their actions has been overwhelming. The public has accepted this extra police in good spirit—as all good citizens should. And it should be cited that traffic "crack-downs" usually are not the most popular things in the world.

If the current enforcement is maintained, and the accident statistics follow the present trend, there will be less injuries and less expensive fender-smashing.

While it is too soon to obtain conclusive figures, it could mean that local residents will be spared enough money and costly hospital bills to counter-balance the cost of the police department. Don't scoff—it could be true.

We want to commend the new police commissioner and the police department for the new speeding policy. We recommend to them that they keep accurate records of their performance in the next year. Nothing is more convincing to the average taxpayer than statistics showing that their public servants have given a good account of themselves. Statistics that will show lives saved, and damage spared through good police performance is the best argument we know of to gain public support.

The average Dixon motorist cannot help but have noticed the new "tranquility" on our roadways. The new policy is working. We sincerely hope that it is not an "on again, off again," or "stop-and-go" crackdown.

The drive on speeders should be unrelenting and consistent. If it is, and the present accident trend continues, the police will have earned the gratitude of the taxpaying public.

C. J. C.

Can Inspect School Books, Bracken Rules

Circuit Judge Robert Bracken today ruled that both sides in a suit for an injunction in Community Unit School District 271 should be free to open and inspect district records dating back to January, 1953.

The judge directed Atty. William Gunner to write an order to that effect for the judge to sign.

The reason for the order is to save copying all volumes of the minutes for presentation in court. The complaint for an injunction to prevent the school board from selling any bonds from a bond issue voted last November is expected to be held early in June.

BOILING INFERNO—Two firemen, almost obscured by smoke, move into position to fight the hot flames and smoke boiling from a big gasoline transport after its load was set ablaze following a collision with a passenger car in Annandale, Va. The truck driver, George Dove of Alexandria, Va., escaped uninjured from the blazing truck, loaded with 4,000 gallons of gasoline.

Prepare Big 4 'Summit' Talks Hint Stockholm Site; Russia in New Strategy

VIENNA, Austria (AP)—The Big Four foreign ministers started home today to begin preparations for the meeting this summer of their government chiefs.

Jittery Western Europe hoped the two major accomplishments of the ministers' weekend reunion in Vienna—agreement on the "summit" conference and signing of the Austrian independence treaty—had brought the West and the Communist world two steps closer to a lasting peace.

Hint at Stockholm

Ranking Western officials hinted that Stockholm might be chosen as a compromise location for the meeting of President Eisenhower, Soviet Premier Nikolai Bulganin and the British and French Premiers. July or August appeared to be the likeliest times. Russia had proposed Vienna as the site while the West advanced Lausanne, Switzerland.

Soviet Foreign Minister V. M. Molotov accepted the West's invitation to Bulganin late Saturday night. In a 13-minute speech Sunday at the signing of the Austrian treaty, he indicated the Russians in the coming high-level meeting will demand as their price for German reunification the same neutrality they exacted of Austria—a pledge not to join any foreign alliances and not to allow foreign military bases.

Rejects Neutrality

Chancellor Konrad Adenauer, who last week brought West Germany into the North Atlantic Alliance, has already said his government could not accept such neutrality.

In his speech at Vienna's Bel-

vedere Palace, Molotov expressed "conviction that other states also will follow the pattern" of Austrian neutrality. He referred directly to Germany later, asserting, "The danger of a reborn German aggressive militarism has revived, and it is forcing the peaceful countries of Europe to take new measures toward insuring their security."

The other foreign ministers—U. S. Secretary of State Dulles, Britain's Harold Macmillan and France's Antoine Pinay—confined their much shorter speeches entirely to Austria.

Dulles Leaves

Dulles was the first of the four to leave Vienna, taking off by plane Sunday night from Washington. He will report to the American people Tuesday night by television and radio.

Few Allied statesmen here believed the Soviets have changed their long-term aims. They consider the agreements reached with the Soviet resulted from Russia's desire to seek at least a limited reconciliation in international affairs.

Observers here consider the Soviets will use Austria as the model for a neutral belt of states they hope ultimately to carve from Scandinavia's neutral Sweden, south through Germany to Yugoslavia, and then across the sprawling Moslem empire to neutral India and Indonesia.

Youth to Claim Fatal Shooting Was Accident

RALEIGH, N. C. (AP)—A young textbook salesman, whose parents are members of the Harvard University faculty, was scheduled to be given a hearing today on a murder charge.

Richard Kluckhohn, 21, of Evanston, Ill., was charged in the bizarre Friday-the-13th shooting of Miss Bernice Seawell, 43, of Arlington, Va., government worker.

Claims Accident

Howard Manning, of Raleigh, attorney for Kluckhohn, said he planned to offer a motion in City Court that the murder charge be dismissed. He contended the shooting was accidental.

Police said the shot, fired from a German Luger, came from a hotel room overlooking a parking lot where Miss Seawell was standing. Miss Seawell, who had accompanied her sister from Sanford on a shopping trip, collapsed and died almost instantly.

Young Kluckhohn, described as a brilliant student who had graduated from the University of Chi-

Expect 300 Lutherans Will Attend State Meeting Here

Sessions of ULCA Will Open May 23

St. Paul's Will Be Host to 36th Annual Session

The Rev. George J. Curran, pastor, and Ed Fisher and George Weyant, lay representatives, of St. Paul's Lutheran church, Dixon, will represent the church for the 36th annual meeting of the Illinois Synod of the United Lutheran Church in America to be held in Dixon May 23 to 26.

About 300 delegates are expected to attend the sessions which will be held in St. Paul's Church. They represent 154 congregations with a baptized membership of more than 96,000 Lutherans in Illinois and adjacent states.

Decide on College

According to Dr. Harmon J. McGuire, synod president, "Perhaps the most important decision to come before the synod this year will have to do with the relocation of Carthage College."

Carthage College is a liberal arts institution, now located at Carthage, Ill. Its board of directors recently asked the school's four supporting synods to approve in principle the relocation of the college somewhere in northern Illinois, provided that satisfactory arrangements can be made.

Delegates will be asked to approve the report of a special committee set up at last year's convention to work out a policy for the church regarding what should be done by churches in areas of changing populations.

Dr. McGuire says the suggested policy will be to establish a continuing study committee that will advise affected congregations whether they should be relocated, merge with other congregations, disband, or remain and serve their neighborhoods with all of their resources, plus resources made available by the synod.

Keynote Address

Dr. McGuire will give the keynote address to the convention at the Holy Communion service the evening of May 23. Other special speakers will be Dr. Walter H. Traub, pastor of Kountze Memorial Church, Omaha, Neb.; Dr. Alfred J. Bell, president of the Iowa Synod, representing the United Lutheran Church in America, and the Rev. William A. Kiser, pastor of Gethsemane Lutheran Church, Cicero.

The latter will speak during an ordination service May 25.

They Wait in Vain . . .

CHICAGO (AP)—Loyal Liberace fans—100 strong—waited in vain three hours Sunday for a telephone call from their TV piano-playing idol.

The apparent snub from Liberace didn't in the least detract from their loyalty, though. They took it in good style.

The women, members of a Liberace fan club, gathered for a birthday party to observe the pianist's 36th birthday. He promised to call his personal regards.

After a three-hour wait, the telephone rang. "My heart's going pitter-pat," gushed one fan, Mrs. Helene Janecke, 40, the club president, accepted the call.

"That was Lee's executive secretary," Mrs. Janecke told her group, "his very, very private secretary. Liberace just can't break away from the movie set. His secretary says he regrets it very much. He will send us a letter soon."

"They can't stop the cameras for a few fans," one matron said to soothe her companions. "It's nice he's going to write," chimed in another as the group filed from a restaurant.

TIM'S BACK ON HIS FEET—Timothy Vukabrat of Milwaukee celebrates his third birthday, right, by scampering about in Milwaukee Children's hospital, where he has spent more than two years in awkward casts. At left he is shown as he scooted around the hospital last summer, strapped to a plywood board with wheels. The treatment was necessary to cure a hip condition caused by infection. (AP wirephoto)

Deadline Near For DDC Stock Dixon Promotional Fund Shares at \$10

Tuesday will be the final day of sale of pre-subscribed stock in the Dixon Development company, the corporation sponsored by the Chamber of Commerce to promote industrial growth in the city.

Those who order \$10 shares by Tuesday will be listed as original stockholders in the company. Officials say only a limited number of new stockholders may be admitted after the corporation is formed.

A \$100,000 fund is planned to promote business in Dixon. The money would be used to buy, or take options, on land for possible industrial use, and to construct buildings for use by incoming firms.

Anyone wishing to buy stock may call at the Dixon Chamber of Commerce office.

Local 'Junior Historians' to Receive Awards

SPRINGFIELD (Special)—Two Dixon and two Oregon elementary school pupils are included in the 38 Illinois grade and high school students who will receive "Junior Historian of the Year" awards from Gov. Stratton in Springfield at 1:30 p.m. Friday.

They are Laurel Cappa and Sandra Harvey, both of the eighth grade in Washington School, Dixon, and Alison Lee Knight and Jack Roe, both of the seventh grade in Oregon.

The Governor's Awards are based on the excellence of the students' articles, drawings or photographs which have been published in the Illinois Junior Historian magazine during the current school year. This is the sixth year the awards have been made.

The presentation ceremony will be held in the auditorium of the Centennial building.

Honduras Clamps on Censorship

Rumor Nicaragua Might Invade Honduran Capital

TEGUCIGALPA, Honduras (AP)—The Honduran government has clamped censorship on outgoing press dispatches to check reports which, it says, might worsen "the present international emergency" with Nicaragua.

The government said Sunday night it had acted "because of certain false reports . . . by some press agents (correspondents) and the attempt of Mr. (Harvey) Rosenhouse, agent of Time magazine, to send a message containing alarming information which might make more serious the present state of relations between Honduras and Nicaragua."

Rumors that Nicaragua might invade Honduras spread through the Honduran capital Friday as the government posted troops along the frontier following reported activity by the Nicaraguan national guard. The government said Sunday night the situation was not alarming and "soon everything will be settled in a friendly manner."

In New York, a spokesman at Time magazine said an editor talked with Rosenhouse by phone Sunday but the call was interrupted. He said efforts to reach the correspondent since then had been unsuccessful.

Diplomatic Trail Hard, Says Briton

LONDON (AP)—Foreign Secretary Harold Macmillan said today "The breaking of the icejam" in East-West relations has opened new problems.

Macmillan cautioned that despite the diplomatic achievements of the last week "there are anxious and difficult times ahead."

Macmillan said the West's policy of peace through strength is beginning to show results. "In the last eight or nine days," he said, "a great deal has been done. The actual phrases do not fully describe the immense amount of work and effort which has gone to produce these results—the forming of West European Union, the admission of Germany to NATO and now the signature of the Austrian treaty by the four powers."

These achievements, he continued, are a tribute to the steady efforts of long years—"they are in my mind the justification of the policy of peace through strength. The fruits are beginning now at last to ripen."

Court Reform, Sales Tax On Agenda of Legislature

SPRINGFIELD, Ill. (AP)—Court reform and the sales tax head the calendar this week in the Illinois legislature.

The house executive committee has scheduled a vote Wednesday on the constitutional amendment for overhauling the Illinois court system.

Before the committee votes, the proposed amendment is to be altered to provide for election of trial court judges in nonpartisan elections, a move intended to soften opposition.

Expect Amendment Legislation dealing with financial aid to cities may be introduced this week. The two main bills call for a city sales tax without referendum and a 5 per cent tax on utility receipts.

Gov. Stratton's state sales tax increase plan is expected to be amended in the Senate Revenue Committee to provide for a half-cent boost for two years. As originally submitted, the plan proposed a one-cent hike for one year but it was revised under an agreement between Stratton and Mayor Richard Daley of Chicago.

Senate leaders working on legislative reapportionment have promised to have a bill ready for introduction in a few days. The final draft of the measure has been stalled for weeks by inability to settle the Chicago Senate districts.

School Legislation Major legislation on schools comes up for an airing Tuesday by the House Education Committee. Two of the key bills fix the formula for distributing 20 million dollars in school aid and raise ceilings on property tax rates for school districts.

A bill banning most retail sales on Sundays is listed for consideration by the House Executive Committee.

\$28 Million Proposed for Federal Aid

Mrs. Hobby Gives 11-Point Program; Endorsed by Ike

WASHINGTON (AP)—The Eisenhower administration today proposed a \$28 million dollar federal fund to help the states provide polio vaccine for children in low income families.

This was one of 11 recommendations submitted by Secretary of Welfare Hobby to President Eisenhower. The White House said Eisenhower approved the report and endorsed the recommendations.

The aid-to-states program would become effective after the completion of the free immunization program now being conducted by the National Foundation for Infantile Paralysis.

The foundation's program applies to children in the first and second school grades.

Up to 19 The administration's proposed federal fund contemplates an immunization program for all Americans through the age of 19.

The administration also proposed an additional two million dollars for extra inspectors and technicians in the Public Health Service "to insure maximum precautions in continued testing of the vaccine for safety and potency."

Resisting demands in Congress for government allocation of the now scarce vaccine, Mrs. Hobby and her advisers said they are convinced "the most effective and equitable distribution of the vaccine will be accomplished through the voluntary cooperation of all concerned, within the framework of existing law."

No other kind of distribution, Mrs. Hobby said, "can be mobilized quickly enough to be effective during a brief period of shortage."

Backs Voluntary Plan She stressed her view that the present voluntary system, which leaves distribution of vaccine to the states, "will get the vaccine to the children who need it most with the greatest speed, fairness and effectiveness."

The nationwide vaccination program itself, temporarily halted a week ago pending new safety checks, was slowly getting back into stride with vaccine from two laboratories already freed for use.

The U. S. Public Health Service Sunday approved all supplies shipped by Eli Lilly & Co., Indianapolis. This raised to about 1,400,000 shots the vaccine "cleared" since the safety check was started. On Friday, it approved principal shipments by Parke, Davis & Co., Detroit.

Sitting in on the discussions today was Dr. Chester S. Keefer, chairman of the President's advisory commission on vaccine problems.

Also attending were Surgeon General Leonard Scheele and several aides to Mrs. Hobby, among them Asst. Secretary Aswell B. Perkins, Asst. Secretary Bradshaw Mintener, and Parke M. Banta, general counsel of the Welfare Department.

A Lilly spokesman said enough vaccine for several million more shots is nearing completion, but will not be ready for shipment until about June 1 because of necessary testing.

Ship to 16 States Release of that already shipped permitted at least limited resumption in 16 states: Alabama, Arkansas, California, Colorado, Florida, Georgia, Indiana, Louisiana, Mississippi, Ohio, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia.

Some of the states moved to go ahead immediately, but others had such limited supply that they withheld announcement of any such plans.

Scheele said the inspectors would go next, perhaps today, to the plant of Wyeth, Inc., at Philadelphia, but there was no estimate how soon a third release could be expected. The laboratories are being checked in the order in which they started producing the vaccine.

Mrs. Hobby presented her report in an hour-long meeting with the President. She made no reply to congressional criticism, mainly from Democrats, who have charged the administration with "bungling" the program—both in failing to provide government distribution and to set up adequate safety standards.

Afterward, while posing for photographers, Mrs. Hobby replied

(Continued on Page 4)

Why scrap free competition?

Competition Serves Consumers Best

In the production of Natural Gas or any other product

Millions of homes like yours have natural gas because more than 8,000 producers compete at great financial risk to find it and get it from the ground. The producers also compete to sell it to the pipelines who bring it to your local gas company.

Now, over the opposition of responsible groups and authorities, Federal price-fixing threatens your long-term gas supply and the very principle of free competitive production.

Read what these representative groups and individuals say:

FEDERAL POWER COMMISSION

JEROME K. KUYKENDALL, CHAIRMAN

"We believe that no sound fuel policy can be erected upon such discrimination as presently exists against natural gas and in favor of other competitive fuels . . . Congress should not single out natural gas as the only one among those fuels over which an artificial ceiling should be placed." March 22, 1955.

THE PRESIDENT'S ADVISORY COMMITTEE

ON ENERGY SUPPLIES AND RESOURCES POLICY

"In the interest of a sound fuel policy and the protection of the national defense and consumer interests . . . we believe the Federal Government should not control the production, gathering, processing or sale of natural gas prior to its entry into an interstate transmission line." February 26, 1955.

ILLINOIS MANUFACTURERS' ASSOCIATION

"The exploration for, and production and sale of gas in the producing areas is highly competitive as evidenced by . . . the strong competition which the industry's product must face from its chief rivals, coal and oil, all of which renders public utility regulation completely inappropriate." February 15, 1955.

AMERICAN NATIONAL CATTLEMEN'S ASSOCIATION

"Gas is an important product of ranch and farm land. This decision . . . may well be the beginning of laws to regulate all industries in this country, including the livestock industry." January 12, 1955.

AMERICAN FARM BUREAU FEDERATION

"Since the field price of natural gas is adequately regulated by competition we favor legislation providing that field prices of natural gas shall not be regulated by the Federal Power Commission." December 16, 1954.

LEAGUE OF KANSAS MUNICIPALITIES

"The regulation by the Federal Government of the price of gas sold by independent producers and gatherers is contrary to the public interest including the interests of consumers in the municipalities who are members of this League." December 16, 1954.

Protect the Public Interest Through Free Competition

NATURAL GAS

ILLINOIS NATURAL GAS AND OIL RESOURCES COMMITTEE

W. J. Arnold, Chairman
35 East Wacker Drive, Chicago, Illinois

Made up of individuals and companies concerned with natural gas and the broader basic issues of a free economy. This Committee believes that it has a responsibility to place the facts before the American people, that they may form a judgment of their own free will.

STATE OF ILLINOIS OFFICE OF THE SUPT. OF PUBLIC INSTRUCTION SPRINGFIELD, ILLINOIS

April 22, 1955
Mr. Earl G. Horn, Superintendent
Community Unit District No. 271
Lee County
Ashton, Illinois

Dear Mr. Horn:
In April 1953, Mr. John Price and Mr. Albert Burgard, of our Office, conducted a very careful visitation of the attendance centers in the East Lee Community Unit District No. 271. This visitation was established on as rather thorough classroom basis. In the over-all report of April 27, 1953, specific recommendations were made concerning the respective attendance centers. Suggestions were made with reference to: (1) the instructional needs of the Unit, (2) broadening the educational program, (3) increasing and improving school plant facilities, and (4) improving the public relations program.

In April 1954, accompanied by Mr. John Torrens, County Superintendent of Schools, I visited the attendance centers in this Unit to determine if progress had been made since the previous visitation. In my brief report, I pointed out that an apparent attempt had been made to reach some desired goals but that certain situations had denied the attainment of these goals, thus denying the boys and girls equal opportunities insofar as needs and interests are concerned.

On June 30, 1954, you received a communication from Mr. Nickell informing you that the Committee on Recognition had recommended probationary recognition for your District for the 1953-54 school year. Mr. Nickell was specific in his statement to the effect that adequate educational opportunities were being denied the young people of your District.

In the meantime, you have submitted several propositions to the voters, most of which have been defeated by rather decisive margins. You have secured consultant service from our Office; for example, Mr. Cruft, Building Consultant, has met with your Board a number of times. Since the organization of the District, the assessed valuation has been decreased approximately \$17,000,000 through detachment of territory. All this must indicate a definite lack of an adequate educational program, and also, a lack of community cooperation, understanding, and sound working relationships.

A few weeks ago, Mr. James Lew and I, assisted by County Superintendent Torrens and his Assistant, visited the attendance centers. This visitation was not established on a classroom basis, but was conducted to determine the extent to which progress had been made during the past year.

The following brief, pertinent statements appear to be appropriate concerning this recent visitation:

1. It is apparent that there is a need for a careful evaluation of the administrative structure of the district.
2. There is a definite need for study and evaluation to improve and increase supervisory services.
3. Inadequacies of present plant facilities include:
 - a. Use of certain rooms entirely unsuitable for class purposes.
 - b. Continued use of facilities at some distance from the school centers.
 - c. Some very inadequate toilet and lavatory situations.
 - d. Continued use of nine 1-room rural centers.
4. A lack of instructional equipment and supplies was noted.
5. Definite inadequacies in library equipment and services exist.
6. Only a minimum program is provided.
 - a. The high school program is not providing wide opportunities for the needs of the boys and girls.
 - b. No enrichment is available at the junior high school level.

We welcomed the opportunity of meeting with the Board at an evening session. These situations were discussed at length, and in summary, stress the inadequacy of present facilities and emphasize the need for a program which will meet the needs of the boys and girls in relationship to the ability of the district to maintain a recognized community unit school district.

It is heartening to learn that the Franklin Grove elementary building is now in process of construction and certainly every effort should be made to complete this center as soon as possible.

This report will be submitted to the Committee on Recognition and you will be informed of its decision.

Very truly yours,
(signed) J. Frank Short
Assistant Superintendent

JFS:VTJ

Congratulations to St. Mary's, Sublette

EIGHTH GRADERS who will graduate from St. Mary's school, Sublette, May 27, are shown above. First row (left to right)—Ruth Ann Pry, Patricia Bulfer, Janet Pendergast, Mary Lavon Leffelman and Carole Vincent. Second row—Harold Bonnell, Jr., Duane Rapp, Carol Glaser, Bobby Jones and Jim Zinke. Third row—Donald Vincent, Neal Vaessen, William Kellen and Leon Full.

Amboy Evening Club Has Annual Meet

AMBOY —(Special)— Members of the Amboy Evening Woman's Club held their annual meeting Thursday in the club rooms of the Pankhurst Memorial Library. They were entertained with selections by several of Miss Donna Long's music pupils. Mary Kay Sullivan, Linda Pettinger and Kathy Shearer presented a trio number; Mary Ann Meade played a solo, after

which he was joined at the piano by Marilyn Kessinger in a duet.

The following officers were installed: Mrs. Bert Hiprichs, president; Rose Murtaugh, first vice president; Mrs. LeRoy Hill, second vice president; Mrs. Wilfred Glaser, secretary; Mrs. Oliver Dickinson, treasurer; Mrs. David Shapiro, corresponding secretary, and Mrs. Harold July Jr., auditor. Mrs. Kirby MacKinnon and Mrs. Fred Nicholson conducted the installation.

Annual reports were given by officers and committee chairmen. A report was read on the spring banquet held April 21 at Oregon.

The spring activity committee announced plans for a return to Oregon June 18 for a club breakfast. That committee includes Mrs. Harold Glessner, chairman; Lena Merlo, co-chairman, and all new members.

Wilfred White, accompanied by J. Edward Coe, played two trumpet solos. Wilfred is a student at Amboy High School.

The committees for the ensuing year were read as follows: Parliamentarian, Mrs. K. S. MacKinnon; house committee, Mrs. LeRoy Hill, chairman; Mrs. Robert Koehler, Mrs. William Hellman, Mrs. James Dickinson, Mrs. Carl Edwards; ways and means, Mrs. Sylvan Leffelman, chairman; Mrs. M. G. Mihn, Mrs. J. A. Liggert, Mrs. Ray Lubbs and Mrs. John Elliott; philanthropy committee, Mrs. Charles Welby, chairman; Mrs. Charles Dickinson, Mildred Price; special welfare committee, Mrs. Roy Vivian, chairman; Mrs. Leslie Spencer, Frances Fanelli; gift committee, Mrs. Earl Kellen, chairman; Mrs. John Oatney; scrapbook, Mrs. Kenneth Smith, chairman; Mrs. David Shapiro; literature, Mrs. William C. Knuth; music, Mrs. Harold Glessner and Mrs. Evelyn Aldorfer; by-laws, Mrs. Robert Shafer and Mrs. John Ottengheim Jr.; art, Marie Ross; membership, Mrs. Bruce Klausen, Mrs. Lester Goodheart; legislation, Mrs. Fred Nicholson Jr.

Refreshments were served following the meeting by Mrs. A. D. Ortgiesen and her committee, Mrs. Allan Douvier, Rose Murtaugh and Mrs. Kenneth Smith.

The Ogle Homemaker

Plan Cleanup at Area 4-H Camp Members of 9 Counties Will Work Next Sunday

By HARRIETT HUTCHINGS

Ogle County Home Adviser

OREGON — (Special) — "Operation Cleanup" will be in full swing at White Eagle 4-H camp next Sunday from 11 a.m. to 5 p.m.

While most of the work needed to prepare White Eagle for the 1955 camping season has been completed, the grounds need a good general cleanup to remove accumulated trash and dead branches.

All 4-H Federation members from Ogle and the surrounding nine counties who camp at White Eagle are asked to come and help with this cleanup.

Work for the day will include improving the trails and removing fence.

Those 4-Hers coming in the morning will share in a pot-luck dinner at 1:30 p.m. There will be a job for everyone — whether the 4-Hers can come for the full session or only Sunday afternoon to work.

Last week about 20 adults, from Winnebago, Carroll, Stephenson, and Ogle Counties, spent a day at White Eagle Camp near Adeline, house cleaning the dining hall and the permanent staff's quarters. Ogle County 4-Hers will be camping July 18 to 23 with boys and girls from Rock Island County. Reservations must be sent to the Farm Bureau office by June 15.

Going to camp gives youngsters a chance to make new friends and to live with a group.

Everyone attending camp has an opportunity to swim, study nature, hike, play volleyball or softball.

A trained crafts instructor will help 4-Hers make useful articles which can be taken home.

You may contact the farm or

home adviser or your child's 4-H club leader for more details on camping.

Play Day a Success
Earrings, pins and cuff links were taken home by several homemakers attending Play Day, May 11.

Copper enameling was one of the crafts demonstrated for the 175 Home Bureau members and their guests at this annual event held in the Polo Town Hall.

Everett Smiley, youth adviser, spent the entire day assisting the homemakers in making this copper jewelry.

Mrs. Noel Oien, of the East Ogle Night unit, showed the ladies how to make pin curls, so that they can set their own hair or put up those straggly ends between regular settings.

The art of chair caning was shown by Mrs. Bernard Mathews, Polo-Woosung unit.

There were 94 ladies who brought their favorite aprons with them and displayed them for the group to see. They ranged from the strictly party apron made of nylon net to the very practical one, brought by Mrs. Robert Ellis; Lincoln unit, made of denim which had the bottom folded up to form a huge pocket. This pocket was plastic lined so that you could carry wet wash out to the clothes line in it. The pocket could also be turned down and the plastic would prevent your clothes from getting soiled while kneeling in the garden or doing household tasks.

Mrs. E. L. Stengel, Mt. Morris Day unit, brought a tray made by her husband from materials left over after covering the counter tops in her kitchen. This was displayed in the home carpentry "corner." Mrs. Grover Thomas, who belongs to the same unit, brought a huge bookcase which she had made to fit into one corner of her living room. She also displayed a magazine rack which she designed. This rack was about eight feet long divided into sections sized to fit specific magazines. Wouldn't it be handy to have a place for each magazine so you wouldn't have to go through the whole pile when you're looking for one certain one?

Many other examples of home carpentry were shown such as wall plaques, shadow boxes, a play house made by the husband of Mrs. Roy Davis, Polo-Woosung unit, plates, trays, and bowls.

In the morning Rita Boone, a home economist from Sterling, gave a frozen foods demonstration. She stressed using your freezer to save money and energy as well as to conserve the nutrients of the foods you freeze.

Agatha, a representative from flower materials company, Chicago, closed the afternoon program by making several kinds of artificial flowers from chenille, wood fiber, crepe paper and ribbon.

Mrs. Russell Poole, Polo-Woosung unit, was general chairman for Play Day.

Our New Neighbors

OREGON — (Special) — Mr. and Mrs. LeRoy Whitten are the parents of a daughter born Saturday in Warmolts Clinic.

Mr. and Mrs. Everett Early are the parents of a daughter born Saturday in Warmolts Clinic.

Auxiliary to Meet

AMBOY — (Special) — The regular monthly meeting of the American Legion Auxiliary will be held Tuesday at 8 p.m. at the home of Mrs. Paul Mossholder, near Sublette. Anyone desiring transportation is asked to call Mrs. W. J. McNea.

Job's Daughters

POLO — (Special) — Job's Daughters will have a scramble supper today at 6:15 p.m., followed by the regular meeting, at which time there will be an election of officers.

Austria Jubilant as Pact Ends Wartime Occupation

Church Bells Peal, Thousands Rejoice

VIENNA, Austria (AP)—Jubilant Austria celebrated into the dawn today the Big Four signing of the historic treaty pledging her freedom after 17 years of hot and cold war.

Church bells pealed across the land as millions rejoiced. The pact makes Austria a sovereign state for the first time since Hitler annexed her to Nazi Germany in March, 1938.

Within 90 days after the treaty is ratified by the Big Four and Austria, some 70,000 troops of the United States, Russia, Britain and France will pull out and Austria's freedom will become a final reality.

Amid all the revel, there was an undercurrent of uneasiness over the little country's economic future. It was feared particularly that heavy payments to Russia might upset the economic stability attained with U.S. help during the 10 years of Big Four occupation.

Fear Crises

There was also the realization that a series of economic crises might drive this central European country, pledged to neutrality, into Russian hands.

Such disturbing thoughts and a drizzling rain did little to dampen the long-awaited celebration.

The bells and waltzes were set off Sunday when Russia's V. M. Molotov, British Foreign Secretary Harold Macmillan, Secretary of State Dulles, France's Antoine Pinay and Austrian Foreign Minister Leopold Figl signed the thick, leather-bound treaty promising Austria as far back as 1943.

A few minutes after the signing, cheers of 15,000 Austrians welled up from the streets outside Vienna's historic Belvedere Palace, where the ceremony took place. The great bell of 700-year-old St. Stephen's Cathedral pealed the joyous news. Churches throughout the Alpine country took up the call.

Tito Assures West; Intends To Be Friends

By BORIS BOSKOVIC
BELGRADE, Yugoslavia (AP)—President Tito has assured the West that his coming conference with top leaders of the Soviet Union does not mean Yugoslavia is "changing sides." He still intends to keep his country out of all blocs — Western, Soviet or neutral "third force," he declared.

Speaking at the North Adriatic port of Pula, Tito said Sunday he wants good relations with both the West and the Soviets. He promised there will be no secret deals "behind the curtains" at his meeting in Belgrade late this month with Soviet Premier Nikolai Bulganin, Communist party chief Nikita Khrushchev and Deputy Foreign Minister Andrei Gromyko.

"The whole West will know what we have discussed and what we have agreed upon," the President declared. "Yugoslavia is grateful to the West and particularly to the United States, which has given and is still giving aid."

Tito restated his previous policy that he will not accept aid with political conditions attached. "Aid is not a bribe," he added.

"They in the West should not think that we are changing sides," he continued. "We wish best relations with the West. We are not going to turn aside from this road, but we wish to have free hands to strengthen peace..."

It was Tito's first comment on the announcement Saturday of the Russians' visit.

Implying that Moscow had asked for the meeting, Tito said he told the Russians Yugoslavia wants to keep its friends and will tolerate no foreign interference in its internal affairs. He said the Kremlin had consented to this condition.

In breaking with Russia in 1948, Tito charged that the Kremlin was trying to dictate to him and that Soviet agents were meddling in Yugoslavia's internal affairs.

Many Western diplomats consider Russia in the conference will try to interest Tito in a policy of strict neutrality, similar to that imposed on Austria as the chief condition for Soviet agreement to sign the Austrian independence treaty.

Siamese Twins Born in Detroit

DETROIT (AP)—Siamese twin girls born Sunday to a 27-year-old woman, were reported in "fair condition" today at St. Carmel Mercy Hospital.

Hospital officials gave the babies joined at the chest, "one chance in 100,000 to survive."

The mother, Mrs. Nona Herring, was said to be in "good" condition.

The hospital said the twins, weighing a total of 12 pounds 14 ounces, were normal in every respect except for the joining. Preliminary X-rays indicated they had separate chests.

Find Body of Missing Chef; Hunt for Wife

JAY, Okla. (AP)—Discovery of the decomposed body of a 310-pound chef touched off an extensive search today for his auburn-haired wife, a onetime beauty contest winner.

Delaware County Atty. Don Hampton said the body was that of 41-year-old Joseph Werner, a former employee of the Triple X Restaurant in Fort Worth. He had been missing almost a month.

State Crime Bureau agents have radioed a pickup order for his wife, Leota, 44. She sold the family home for \$4,500 three days after her husband failed to show up for work. She stated the two had been divorced and she had been given the house.

Fort Worth Detective A. C. Howerton, who inspected the residence, said he found two .22-caliber bullet holes in a back bedroom.

Werner's body was found on a vacant farm near here owned by Ralph DeGarmo, Oklahoma City, brother of Mrs. Werner. Unslaked lime was used to speed decay of the body.

DeGarmo said he had received a letter from his sister, written from St. Louis, in which she indicated she intended to destroy herself and ended with the statement, "If I am found it will make sensational news."

"The Birds' Christmas Carol" was written in 1888 by Kate Douglas Wiggin.

Really Good Caramel Bar

Howard B. Stark Co., Milwaukee

Confederate Vet Is 109

FT. BLACKMORE, Va. (AP)—Virginia's only living Confederate veteran has passed another milestone, complete with a three-tier birthday cake, a new hat and greetings from the President of the United States and the governor of Virginia.

"Gen." John B. Sailing was 109 Sunday. He sat on the porch of the home he shares with his son-in-law and daughter and passed the time of day with the friends, visitors and well-wishers.

The peppery old gentleman, one of four survivors of the Civil War—three are Confederates—was decked out in a Confederate uniform given him several years ago.

Slays Man In Argument Over 90c

CHARDON, Ohio (AP)—A husky well-driller Sunday night told police he beat 80-year-old Alva J. Williams with electricians' pliers in an argument over a 90-cent debt and then hid the old man's body in a woods.

The driller, Leo Cavey, 43, led Police Chief John R. Bohl, and Sgt. Walter Booker to the battered body of the wealthy feed and coal merchant.

The boy lay in a woods south of here.

Asst. Prosecutor Thomas G. Rowley said Cavey gave this account in the signed statement:

Thursday afternoon Cavey picked up Williams near the old man's feed mill and offered him a ride home. They argued over a 90-cent balance Williams said Cavey owed on a coal bill. Cavey insisted he was overcharged for the coal, slapped the old man across the face then grabbed the 10-inch-long pliers from the car's glove compartment and beat him on the head.

Digging for Issues

When a party is out of power, as the Democrats now are at the White House, the leadership naturally grasps at every straw which may turn out to be a salable issue at the polls.

The task can be especially frustrating when the party in power has a very popular president, as is the case right now. The "outs" inevitably are torn over the question whether or not to attack him personally. And even if they do, they have no assurance they will hurt him materially.

Often they are exasperated to find that a popular president can ride out blunder after blunder without important loss of stature. The Democrats at the moment are busy cataloging what they believe are some of Mr. Eisenhower's errors in office. But a few of these go well back into 1953, and the public opinion polls measuring the president's popularity suggest these things didn't upset many people.

Politicians close to events frequently magnify in their own minds the impact these developments will have on the public at large. They get all stirred up in Washington over matters that won't cause a ripple 200 miles away.

Some of them then proceed to bemoan the indifference of voters. No doubt there's plenty of that, but it's certainly not the whole story in Mr. Eisenhower's case.

It's been said before and it can be said again: Most Americans trust him deeply. They believe he is sincerely concerned for their welfare and safety. They believe he is qualified to keep them out of war. The very "political ineptitude" his critics allege actually helps convince many voters Mr. Eisenhower is above politics.

When this is the case, it isn't going to hurt him much to point out that he doesn't know the name of the head of the Bureau of Labor Statistics. Or to charge him with cruelty to the squirrels on the White House lawn. A few critics did seriously suggest these "little things" could help do him in.

As a matter of fact, there is evidence that Mr. Eisenhower can even commit bobbles in the very field he is considered most able to deal with—foreign and military affairs—and not suffer unduly.

Whenever a man gains the deep confidence of the people as he has, the cry always goes up that Americans again are "worshipping the father image." In other words, that they seek a great protector, and when they think they have one they don't worry much about the details of his performance.

This may be so, and it may have its bad aspects. But the whole blame for this state of mind cannot be laid on the people, at least not in Mr. Eisenhower's case. It seems indisputable one of the prime reasons they picked him in 1952 was their conviction he was not an ordinary politician.

The mood of 1952, and since, has been one of continuing distrust and often disgust toward the standard politicians of the major parties. The votes show it. People have no real faith in either party. They are fed up with short-sighted political maneuvering in a time of great stress.

No man can safely be said to be unbeatable. But the fellow who beats Mr. Eisenhower will first have to earn from the people the kind of trust he has won. And that will not be easy for any man or party.

Ruth Millett

Keep Troubles to Yourself And Keep Your Self-Respect

It is a rather rare woman who realizes that the only way to keep her self-respect intact and to win the respect of her woman friends is to keep her troubles to herself.

No woman ever talked about her husband's faults to other women without feeling a little smaller for having done so. And no woman ever tried to get sympathy by revealing her husband's shortcomings without getting pity instead of understanding.

No woman ever ran down her in-laws without running down herself at the same time or without losing a little of her self-respect in doing so.

No woman ever complained about what a problem her children are without making other think: "It's her own fault. If she would only do such-and-such."

WHO RESPECT THEMSELVES WE RESPECT THOSE

No woman ever won anyone's respect by running around and asking her friends what she ought to do about this and what she should do about that. All a woman accomplishes by doing that is to make other women feel superior to her.

No woman ever built herself up by rehearsing "she said" and "I said" arguments and misunderstandings. She may be able to see only her own side of the story, but others always see both sides.

No woman ever gained anything by telling others of all she has done for someone and how badly she was treated in return. The general reaction to that is: "Hasn't she got any pride at all?"

The whole truth is, we respect those who respect themselves. And the woman who can't keep her troubles to herself isn't showing much self-respect.

What's Right?

Unless you want to acquire a reputation for bragging, never tell how much you paid for possessions, in an effort to make them appear desirable.

If a price tag is the only thing about an article that makes it impressive then you have wasted your money.

Questions and Answers

Q—Who administered the presidential oath to Calvin Coolidge in 1923?

A—His father, John Coolidge, who was a justice of the peace.

Q—Why do several hundred acres of Henderson County, Ky., lie on the north side of the Ohio River?

A—When the boundaries were fixed the southern Indiana line was placed at the north edge of the river as it then flowed, but later the river receded and left a plot of Kentucky land on the north side.

Q—Who named the Seven Wonders of the Ancient World?

A—Antipater of Sidon listed the works of art in the 100's B. C.

Q—Are American battles listed among the decisive battles of the world?

A—Historians disagree on this list, but the victory of the Americans over Burgoyne at Saratoga is generally included. Some list the Battle of Gettysburg.

Q—How extensive are forest fires in the U. S.?

A—Each year more than 100,000 fires destroy forest areas totaling about 30,000,000 acres.

Barbs

One of the nicest things about TV is turning it off to get real peace and quiet.

A reign of irritation for the driver always results from the hall of the hitchhiker.

The average young man can hold his own in dancing, says a teacher. But, why so close?

Some people are wonders at talking and that's when wonders never cease.

In Hollywood

By
ERSKINE
JOHNSON

HOLLYWOOD—(NEA)—Hollywood and Grapevine: Women directors are as scarce as flat-chested starlets in Hollywood, but U-I has offered Ida Lupino, a two-way contract as a director and as a moulder of young contract players.

Ida, who gave Keffe Branselle, Sally Forrest and Mala Powers their first big chances, is considering the pact. . . . Debbie Reynolds and Eddie Fisher have delayed the wedding date again. Now it's "sometime in July." His singing engagements will keep him away from Hollywood until July 1.

Liberace will warble four songs and will have 17-count 'em—plano numbers in his big-screen Warner movie, "Sincerely Yours."

Aldo Ray's football-playing brother, Mario de Re, weds Barbara Freitas, a Crockett, Calif., belle, in July. . . . Peggie Castle and Hank McCune, the TV comic turned movie director, tangled during rehearsals for "Wet Backs" and Peggie walked out.

Lynn Baggett, who made headlines in her hit-and-run case, rides around Beverly Hills on a bicycle. Courts ruled that she can never again drive an automobile.

"NOA NOA," the screenplay based on the life of Paul Gauguin, is free of litigation and ready for filming. A tug-of-war over money shelved it for months. . . . Dan Dailey's court action to get legal custody of his son each summer may have to be revised. His ex-wife, now Mrs. Hudson L. McGuire, has moved back to movie-town from Kansas with her husband and son.

Anne Baxter and Judith Anderson are both in the cast of "The Ten Commandments" and their chumminess spikes rumors that they stopped speaking when Anne replaced Anderson opposite Tyrone Power in "John Brown's Body."

THIS IS HOLLYWOOD. MRS. JONES: Tony De Nicola, a movie-town pizza maker, has been moved to a spotlighted place in the front window of the Italian restaurant where he works since he played the brief role of a pizza baker for Jack Webb's "Pete Kelley's Blues." There's even a sign in the window reading:

"Discovered by Jack Webb."

NOT IN THE SCRIPT: Robert Mitchum, on his medical know-how after finishing "Not As a Stranger": "I think maybe I could bandage a finger."

Duke Goldstone, the TV director, and his wife, Rogie, called off their reconciliation despite the big new home he bought her. . . . The shades of Jimmy Cagney and the grapefruit he shoved in Mae Clark's face years ago. In "The Darkest Hour," Edward G. Robinson politely duffs his gray Homburg hat to Fay Wray—and then uses it to slap her across the face.

Latest Hollywood economy note: James (East of Eden) Dean cuts his own hair.

There will be more Ladds in the movie business now that Alan and Sue Ladd have formed their own company, Jaguar, currently filming their first picture, Alan's son Laddie, now 18, and daughter, Alana, who's just 12, are interested in the production end of movies and Alan confided:

"That's mainly why I went into this independent company—so the kids can participate in it someday."

SHORT TAKES: Mario Lanza and his former personal manager, Sam Weiler, get their innings in court this summer. The singing star is suing Weiler for the recovery of two million dollars, while Weiler is countering for \$500,000 in commissions he claims are due him.

Give a rain-spotted felt hat a light rubbing with steel wool to raise the nap and remove the spots.

The Doctor Says

Fear of Height Probably Is The Most Common Phobia

By EDWIN P. JORDAN, M.D.

Fear and dislike are among the most deep-seated of all human emotions. Fear of the unknown—in various degrees—is probably universal. Practically every child fears the dark and some never get over it.

No doubt all of us at one time or another have been afraid in the presence of real risk. When, however, there is fear or dislike of something about which the danger is slight (or which is entirely imaginary) the reaction is called a phobia or obsession. This, too, is common. The person with a phobia, unlike a normal person, has excessive difficulty in overcoming the emotion, and indeed occasionally this can be the sign of a real mental disease in which the aid of a psychiatrist is needed.

OF THE MANY kinds of phobias, fear of height and looking down from a high altitude is probably the most common. One correspondent wrote: "Since earliest childhood whenever I found myself on

top of a tall monument or looked down from a steep mountain or cliff I always felt a fear that I would fall down. That fear was unreasonable because in most cases there was a secure barrier or fence on the spot to prevent any accident." This is called acrophobia and, as mentioned, so common that it must be considered as almost normal.

There are many other obsessions: Agoraphobia—fear of being alone in an open space; claustrophobia—fear of being closed in; mysophobia—abnormal dislike or fear of filth or dirt. The latter seems to be present in those who are constantly scrubbing and polishing beyond the necessities of the situation.

AMONG OTHER phobias which occur occasionally are bathophobia, which means fear of great depths; ceratophobia, which means fear of gallies; and apophobia—fear of bees. One of the phobias is known as necrophobia or fear of death. This like most of the others is a matter of degree since no one likes to contemplate death but if a person thinks about death constantly to the detriment of normal activities it is a true phobia.

There is no doubt that these obsessions and fears cause an enormous amount of misery and sometimes completely dominate the lives of those who have them. It is not helpful for the outsider to show amusement at such fears and dislikes even though they may appear to be humorous.

WHAT CAN BE DONE about these phobias? They constitute a difficult problem in treatment. Perhaps the first step is for the possessor of such a phobia to want to get over it. Sometimes—even though the process is difficult—they can reason themselves out of the abnormal fear or dislike. Sometimes they can avoid exposure to the fear like a person with acrophobia who can usually stay away from high places. In some instances a psychiatrist may be able to help a person to overcome such a phobia.

It should be remembered that fear of itself is not abnormal and should only be considered as a phobia if it is excessive or dominates the person's life and thoughts.

Out Our Way

By J. R. Williams

Peter Edson

In
WASHINGTON

WASHINGTON—(Special)—Any idea that the United States will put a sizable contingent of American ground troops on Formosa for defense of the island has now been given permanent burial by President Eisenhower.

The President told his press conference that while the United States now has a MAAG—Military Assistance Advisory Group—on Formosa to train Chinese Nationalist troops, there has been no suggestion for a major American base on the island.

The President said he had thought of everything that might be needed out there, but he had no recommendation from anyone to make it a permanent station for American ground troops.

This should lay the ghost of that rumor, which has been floating around Washington rather conspicuously. The way these flying news saucers get launched sometimes borders on the fantastic.

ON FEB. 16, Joseph C. Harsch of Christian Science Monitor wrote a piece on the dangers of the administration's military cutbacks. As an illustration he cited the fact that these cutbacks would make it impossible for the United States to put a couple of divisions of ground troops on Formosa, if it were decided that should be done. He wrote:

"If ground troops of the U. S. Army were put ashore in Formosa and entrusted with the task of defending it, there can be little room for doubt that it would be defended effectively for as long as Washington was willing to leave those troops on the island. . . .

"Here is plainly a case where America can keep the peace by preventing the Communists from obtaining a prize without war. Whether the failure to hold Formosa would actually jeopardize the security of the United States is another matter. But it would be a loss in prestige which could be averted most effectively by American troops. . . .

THIS IS APPARENTLY the first time this idea got out in the open. Mr. Harsch says now that he does not think he originated it, but just happened to hit on an idea which government officials also were considering.

For a month or more there was no reaction. Then one day in a private conversation with an official of the British embassy, Mr. Harsch learned that his seed idea had borne fruit and was being considered by the Pentagon.

At about the same time other reporters began to hear rumors that a proposal of this kind was in the works. But the rumor couldn't be pinned down, so nobody wrote it.

Then on April 29 the story came out. Press associations carried the report that unnamed sources in the State Department and the Pentagon were considering establishment of permanent American bases for Air, Marine or Army ground forces on Formosa.

The purpose was said to be to bolster Nationalist Chinese morale and to show the Chinese Commu-

nists that the United States meant business in defense of Formosa. THE REPORTS WERE unquestionably justified at some intermediate level of government planning. But checks at the very top disclosed that Cabinet officers had never heard of the plan.

Four days later, when President Eisenhower was asked about it directly, he scotched the story completely.

For the United States to put ground troops on Formosa would, of course, be a reversal of every doctrine that has been advanced for defense of the island.

The big pitch of Chiang Kai-shek's supporters in the United States has always been that here were half a million Chinese Nationalist troops who were not being used. They have been pictured as raring to reconquer the mainland. All they would need would be a go-ahead signal, sea transportation and air support.

This is, of course, a far cry from the doctrine that it will now be necessary to put American forces on Formosa, just to defend the island.

Illinois Auto Registrations Over 3 Million

WASHINGTON (AP)—The number of cars registered in Illinois last year climbed to 3,078,992—an increase of 4.4 per cent.

This was slightly more than the 4.1 increase recorded throughout the United States.

But the nation's increase lagged a bit behind the increase in population. Car registration was up 2,300,000 to a 58,589,863 total; population increased 2,823,000 to a 163,830,000 total.

This meant Americans had one car for each 2.8 persons.

The figures were released Saturday by the Bureau of Public Roads.

So They Say

Let us stop making a political game out of the nation's storeign policy.

—AFL President Meany.

The U. N. is a spawning ground for spies and subversives.

—Rep. H. R. Goss (R-Ia).

The time has come when American womanhood should be recognized by nominating one of the most capable (Clare Boothe Luce) as vice president.

Rep. Albert P. Morano (R-Corn).

The year 1955 will be the best for American workers because rising factory wages are not being eaten away by price rises.

—Sec. of Labor Mitchell.

Lydia Liliuokalani was the last Hawaiian queen. She was deposed by a revolution shortly before the United States took over.

Would You Believe... SANITONE DRY CLEANING DID IT?

Betty Burke
And William
Widolff Wed

French lace over satin fashioned the chapel length gown worn by Betty Burke to become the bride of William Widolff in St. Patrick's church, Maytown. The April bride is a daughter of Mrs. Elizabeth Burke and the late Daniel Burke, Maytown, and the Albert Widolffs, West Brooklyn, are the bridegroom's parents.

Hydrangeas and gladioli were used to decorate for the morning wedding. Rev. Clement Petit officiated at the double ring ceremony and Nuptial High Mass. Father Lafferty, West Brooklyn, was in the sanctuary. Tony Friel and David Murray, nephews of the bride, were altar boys. Mrs. John Faivre was organist and the choir sang the Mass. The Misses Elaine and Marjorie McLaughlin, Edna Striet and Mrs. Leona Auchsteter sang "Ave Maria" at the offertory; "Panis Angelicus" at communion and as the bride placed a bouquet on the Blessed Virgin's altar, "On This Day Oh, Beautiful Mother."

Given in marriage by her brother, Joseph Burke, the lovely bride wore a dress designed with a neckline of sheer illusion that had a pointed stand-up collar, long sleeves and a snugly molded bodice which flowed into an extremely full skirt. The skirt featured a scalloped redingote effect which was open to reveal a tulle pleated panel. The bride's headpiece was a scalloped halo of pleated lace outlined with braided strands of pearls. Her full circular veil of imported silk illusion was edged with imported silk matching lace and extended to a fingertip length. White roses and ivy were in the bride's cascade bouquet and her jewelry was a strand of pearls with matching earrings, gifts from the bridegroom.

Betty carried a crystal rosary which had been blessed by the Pope and sent to her from Rome. She carried out the tradition of something old, new, borrowed and blue.

As maid of honor, Miss Mary Louise Murray, Freeport, niece of the bride, wore a full length dress of aqua crystallette. The gown had a torso waistline, full bouffant skirt and chapel neckline. Her headpiece of aqua petals matched her frock and she carried a colonial bouquet of pink roses. Her rhinestone necklace and earrings were gifts from the bride.

A frock of pink lace over nylon was worn by Elizabeth Ellen Friel, as flower girl for her aunt. She carried a basket of rose petals and her headpiece was a crown of white carnations. Her rosary bracelet was a gift from the bride.

Joseph Widolff, West Brooklyn, served his brother as best man and Daniel Burke Jr., twin brother of the bride, and Charles Burkhardt, cousin of the bridegroom, ushered. Billy Jones, cousin of the bridegroom, as ring bearer carried the rings on a heart shaped satin pillow that was trimmed with lace.

The bride's mother wore a light gray suit with navy accessories and the bridegroom's mother wore white and navy accessories with her navy frock. Their corsages were of cymbidium orchids.

Immediately following the ceremony a breakfast was served to members of the immediate families at the home of the bride. A 1 o'clock wedding dinner took place at the Rainbow Inn for the families. The three tiered wedding cake was served at this time.

In the evening a reception and wedding dance was held in the Maytown hall for relatives and friends. Mesdames Francis Burke and John Burke and Misses Eleanor Widolff and Marilyn Plumb had charge of the gifts.

When the newlyweds departed for a wedding trip the bride donned a powder blue dress with navy and white accessories.

A graduate of Amboy high school with the class of 1950, the bride has been employed by the USF&G Ins. Co., Dixon. The bridegroom, a graduate of St. Mary's, West Brooklyn, served two years in the U.S. army. The newlyweds will reside on a farm in East Grove.

The Dixon Evening Telegraph—Dixon, Illinois

St. Luke's Club Guests to Hear Popular Writer

Mrs. Rosamond du Jardin, well known American novelist and short story writer, will be the featured speaker when St. Luke's Club has annual guest night Thursday evening, May 19. The evening will begin with a 6:30 o'clock scramble dinner in the guild hall of St. Luke's Episcopal church.

The LeRoy Martins, Clifford Martins, George Coverts, Ivan Holdermans, William Byrons and the Very Rev. Vernon L. S. Jones and Mrs. Jones are on the committee for Thursday.

Mrs. duJardin began as a fiction writer for the Chicago Daily News in 1930. Her magazine stories number about 100 and have appeared in many well known publications also in several foreign publications in England and Europe. For a time she wrote a daytime serial and had short radio plays for Silver Theater, Stars Over Hollywood, Aunt Jenny's Stories and other programs. She is the author of five novels for adults, written 1935-46 and recently has produced eight novels for teenagers.

In addition to writing Mrs. du Jardin keeps house for her husband in their new home at Glen Elynn and has many hobbies. The du Jardins have three children. Mrs. du Jardin particularly enjoys writing about teen-agers whom she likes and respects as individuals.

Among Mrs. du Jardin's principal works are: for adults—All Is Not Gold, Only Love Lasts, Honorable Estate, Brief Glory, and Tomorrow Will Be Fair, and for teenagers—Practically Seventeen, Wait For Marcy, Class Ring, Double Date, Marcy Catches Up, Boy Trouble, Man For Marcy, Double Feature and Showboat Summer.

WSWS Has Meet And Program at Grace EUB Church

Mrs. Harry Stewart and Mrs. John Huene directed the program when the Woman's Society of World Service met recently in the Grace Evangelical U.B. church. The program for the month was "Christian Homes Are Telling."

Participating in the program were: Mrs. J. Austin Smith, Mrs. Donald Volz, Mrs. Edwin Schaefer, Mrs. Luella Palmer, Mrs. Wilbert Boynton Jr., Mrs. William Kewish, Mrs. Francis Loomis and Mrs. Forrest Grobe. Mrs. Ray Herbert sang "This Wonderful Mother of Mine." Mrs. Norman W. Dietrich led in prayer for the missionaries. Mrs. Fred Krahler acted as pianist for the evening.

Guests of the group were: Mrs. John Gable, Florin, Pa.; Mesdames DelRoy Long, Raymond Long and Robert Kalas and Miss Elsie Heckman, Dixon, also Mrs. William Kewish and Mrs. Louise Rietzel, Sterling.

A report was given by Mrs. Roy Finney concerning the United Council of Church Women recently organized at a meeting in St. Paul's Lutheran church.

Hostesses for the evening, Mrs. Herbert Youngren and Mrs. Jessie Hummel, served refreshments from a table decorated with a bouquet of spring flowers. Mrs. Herbert and Miss Mary Jane Boynton poured.

Mrs. Glenn Wisner and Mrs. David Reigle will have charge of the June program. Mrs. Harvey Schofield and Mrs. Forrest Grobe will be hostesses.

HAZELWOOD PTA

The Hazelwood PTA will meet at 8 p.m. Thursday in the school.

The major lesson, "Meat Cookery," will be given by Mrs. Santee. Hostesses will be Miss Ruby Natrass, Mrs. Lawrence Morris and Mrs. M. L. Milligan.

Members are asked to bring their penny collections and magazines for exchange.

DAR Has Plans For Reception Day of June 11

Daughters of the American Revolution meeting recently in Loveland Community House heard highlights of the Continental Congress in Washington, D. C., from Mesdames H. C. Warner and A. F. Moore, delegates.

Preceding the meeting, Mrs. Moore, regent of the Dixon chapter, entertained members of the official board with a luncheon at the Rainbow Inn. Attending were Mesdames R. D. Hedrick, Blinn Bryan, E. A. Clevidence, F. J. Trautwein, Willard Thompson, W. E. Gronberg and Miss Ruth Morris.

Yearly reports were read and accepted at the business meeting. Mrs. Dora Hughes paid a beautiful tribute to the memory of Mrs. Theodore Goe, a recently deceased member.

Chaplain Miss Ruth Morris, installed new officers for the coming year.

Plans were made to have a reception June 11, honoring Mrs. Henry C. Warner, Dixon, newly-elected Illinois State Regent. Members of DAR chapters in Northern Illinois will be guests. Also at this time Mrs. Otto Schultheis, Vincennes chapter, Ind., will appear in costume to sing "Folk Songs of Indiana and Illinois Territories." Mrs. Schultheis is the mother of Mrs. David Ames, Dixon.

Mesdames Warner and Moore,

Class of '36

The Dixon high school class of 1936 will meet at 7:30 p.m. Friday, May 20, in Loveland Community House. All class members are asked to be present as final plans will be made for the class reunion.

WHO'S NEW CLUB

The Who's New club will meet Tuesday, May 17, with a 1 o'clock dessert luncheon in Loveland Community House.

GOLDEN RULE CLASS

The Golden Rule class of St. Paul's Lutheran church will meet with a 6:30 o'clock scramble supper Tuesday evening, May 17, in the fellowship hall of the church. Mrs. Irene Allen and Miss Esther Young, the hostesses, will furnish dessert and coffee.

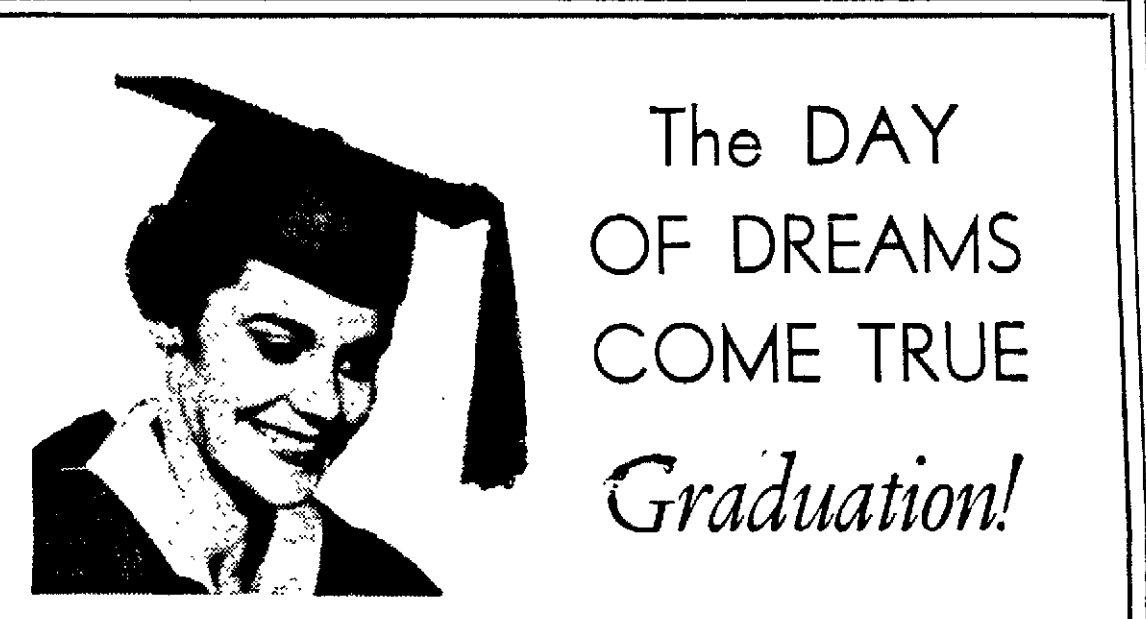

WA-TAN-YE TO MEET

The Dixon Wa-Tan-Ye club will have a 6:30 o'clock dinner meeting Wednesday evening, May 18, at the Dixon Country club. Reservations or cancellations are to be made by tonight with Retta Jean Keithley.

when telling of their trip to Washington, reported that Miss Gertrude Carraway, president general, has chosen "Education of Americans" as the DAR yearly theme.

They told of Great Britain sending greetings to the convention and of the talk by Catherine St. George concerning the weight DAR exercises in the Senate. The Dixonites told of their visit to the National Museum, the banquet at the Mayflower Hotel, also how the Illinois Room in Continental Hall was open.

A social hour followed last Saturday's meeting with hostesses for the day: Mesdames R. H. Harbridge, John L. Davies, George Strickler, Willard Thompson, E. L. Aschenbrenner and Gracia Dyseret and Miss Kathryn Wright. Mrs. Davies presided at the table which was lovely with its pink floral arrangement.

The DAY OF DREAMS COME TRUE Graduation!

... That precious day ... that magic moment ... filled with high hopes and youthful dreams; and they're parents' dreams, too ... The culmination of efforts given over so many years. How better to capture the priceless memory of this sweet-sad time of parting and beginning for your daughter than a gift of SOLID SILVER—beautiful and time enduring—long after you are gone.

We present for your discriminating choice, the world's fine established Silver Houses.

For the Girl who's first in your heart — the very best in solid silver

Phones: Office 4-9741 or 2-1111 Home 2-7581

Mr. and Mrs. Franklin Sheely, Fourth Ave., have returned from a motor trip East where they spent nearly a month. They visited Mrs. Sheely's son and his wife, Mr. and Mrs. H. B. Valentine, at Quarryville, Pa.

At Littlestown, Pa., they visited Mr. Sheely's brother, Howard Sheely, and his nephews, Clarence and Aldin Sheely, and their families. They stayed overnight with a cousin, Mrs. Cora Renner, and went to Gettysburg, Pa., where they visited the battlefield. They also saw President Eisenhower's new farm residence, but it was necessary to view it from a distance because of the guard at the driveway.

They went to Williamsport, Pa., where they visited Mrs. Alma Rastman, a former neighbor of Mrs. Sheely's when she lived in Rockford. They were neighbors for 28 years.

On the return trip, they spent a day in Chicago.

Obituaries

MRS. MARY McCASLAND POLO (Special) — Funeral services for Mrs. Mary McCasland, 76, a former Polo resident, will be held Wednesday at 2 p.m. in McNabb Funeral Home with the Rev. Ira Wilson, pastor of Emmanuel E.U.B. Church, officiating. Burial will be in Brick Cemetery.

Mrs. McCasland, the former Mary Bellows, daughter of Levi and Annis Wolcott, was born near Polo and lived in this area until going to live with a son, Donald, in Derby, Conn., six years ago. She died Friday night.

Survivors in addition to her son are five grandchildren and a sister, Mrs. Clarence Galor, Mt. Morris. Her husband, John, preceded her in death.

The body will arrive in Polo Tuesday morning, and friends may call in the funeral home after noon. Mrs. McCasland was a member of the Emmanuel Church.

—Adv.

MRS. JESSIE FROST FLANDERS LEE CENTER (Special) — A former Lee Center woman, Mrs. Jessie Frost Flanders, 64, died Sunday at her home, 1111, home. She was born July 12, 1870.

She is survived by a sister, Mrs. Harry Lewis; a brother, Arthur Frost, both of Marengo; and several nieces and nephews.

Funeral services will be held at 1:30 p.m. Tuesday in Marengo. Burial will be at 3:30 p.m. in the Woodside cemetery, Lee Center.

—Adv.

MRS. ALMA HARDESTY OREGON (Special) — Mrs. Alma Hardesty, 74, Oregon, died Sunday in Walmors Clinic after a week's illness.

She was born Sept. 28, 1880, the daughter of Mr. and Mrs. Job Huntley. She married Charles Hardesty Aug. 7, 1900. He died in 1949.

Survivors are a daughter, Mrs. Marjorie L. Beck, Oregon, with whom she lived; a brother, Arthur Huntley, Rochelle, and two sisters, Mrs. Glenn Hardesty, Dixon, and Mrs. Horace Bucher, Ashton.

Funeral services will be Tuesday at 2 p.m. in Farrell Funeral Home and at 2:30 p.m. in Washington Grove Christian Church with the Rev. Fred Anderson, pastor of Oregon Methodist Church, and the Rev. Robert Nellis, pastor of the Washington Grove Church, officiating. Burial will be in Washington Grove Cemetery. Friends may call in the funeral home this evening.

—Adv.

THOMAS MCCOY Thomas McCoy, 74, 510 Prairie St., Rockford, a native of Marion Township, Lee County, died Sunday in St. Anthony's Hospital, Rockford, after a long illness.

He was born Dec. 27, 1880, the son of Mr. and Mrs. James McCoy. He moved to Rockford in 1928.

Survivors are a son, Eugene, Rockford; three sisters, Mrs. Agnes Dodson and Mrs. Gertrude Bauman, both of Aurora, and Mrs. Hazel Drew, Dixon, and five brothers, Charles, Walton, John, Ohio, Dennis, Aurora, and Dr. H. J. and Edwin, both of Dixon.

He was preceded in death by his wife, Catharine, in 1935, and four brothers, Peter, Frank, William and Leo.

Funeral services will be held in Jones Funeral Home Wednesday at 8 a.m., and a Solemn Requiem High Mass in St. Patrick's Catholic Church with the Rev. Charles McCarran, Harvard, celebrant. The Rev. Thomas Green, Dixon, and the Rev. Brady, Rockford, will be deacons. Burial will be in Oakwood Cemetery. Friends may call in the funeral home.

—Adv.

Licensed to Wed

County Clerk Sterling D. Schrock Saturday issued a marriage license to a Dixon couple, Wayne A. Starnes, 24, and Judith L. Rintoul, 19.

Forfeits \$3,000 Bond Here

Circuit Judge Robert Bracken today ordered the forfeiture of the \$3,000 appearance bond on Mrs. Margaret O'Connor, alias Mabel Paus, 28, Chicago, when she failed to appear at 10 a.m. today for her scheduled trial.

Mrs. O'Connor pleaded not guilty April 18 to indictments charging her with larceny and with being an accessory after the fact to commit larceny.

She is charged with being a party in the \$1,000 diamond ring theft from a downtown Dixon jewelry store Feb. 24. Her male companion, Louis Stein, Detroit, recently pleaded guilty to a charge of larceny and was sentenced to one to three years in the Illinois state penitentiary.

Judge Bracken, visibly angered over the whole affair, waited 15 minutes before ordering the bond forfeiture. Her attorney, L. J. Scriven, then asked the court for an additional 15 minutes. He added that he would withdraw as her attorney if she didn't appear within that time.

Judge Bracken pointed out that this was the "fourth time" it had happened and said, "I don't intend waiting another 15 seconds."

Judge Bracken then instructed State's Atty. James Bales to execute a "scire facias" (notify her bondsmen that she failed to appear in court not less than 30 days nor more than 60 days to show cause why the defendant did not appear).

Mrs. O'Connor has been free on bond, furnished by a professional bondsman in Chicago, since shortly after her arrest.

—Adv.

\$28 Million

(Continued from Page 1)

with a smiling "no comment" when asked about published reports she might resign.

Here in brief are Mrs. Hobby's recommendations:

1. The Public Health Service "must have every facility, including necessary additional funds and personnel, to insure maximum precautions in testing the vaccine for safety and potency."

2. All current distribution should be aimed at completing "at the earliest possible date" the National Foundation's free immunization program for first and second graders.

3. The vaccine should be administered for the time being only to children of the 5-9 age group. Other priorities should be announced from time to time on the basis of recommendations of the President's national advisory committee.

Should Direct Division

4. The secretary of welfare should "direct on a national level the division among the states of the entire output of Salk vaccine as pledged by the manufacturers."

5. Vaccine supplies should be allocated to each state on the number of children it has in the 5 through 9 group until all those children have been vaccinated.

6. Each state governor should designate a single agency to direct the distribution of vaccine within the state.

7. More funds should be given to the Food and Drug Administration for "vigorous enforcement" of laws prohibiting sales of the vaccine outside authorized channels for prescription drugs.

8. Medical organization should do all they can to make sure doctors (a) vaccinate and issue prescriptions only for children within the priority age groups, and (b) doctors keeps a record for each child showing the age, date of vaccination, place on body of vaccination, name of vaccine manufacturer, and lot number of the vaccine.

9. Manufacturers and all others concerned with distribution should keep careful records showing where every shipment goes.

10. Congress should make funds available to states for the purchase of vaccine. "or, in lieu of funds, the vaccine itself." These funds "must be sufficient to pay the cost of vaccine for children through age 19 in low income families." The funds would be used between the end of the free immunization program and the end of 1958.

11. Eisenhower should designate a special committee for further study of ways to help other nations get Salk vaccine.

—Adv.

WHY DO THESE CRUM-BUMS NEED A ROOM LIKE THIS, CHIEF? I NEED MORE SPACE! I WANT THIS FOR MY PERSONAL OFFICE!

BALONEY! I ASKED FIRST! THIS ROOM WAS JUST MADE FOR THE ADVERTISING DEPARTMENT!

AND AFTER THE DRAFTERS FIXED THE PLACE UP... PRACTICALLY WITH THEIR OWN HANDS...

THANK AND A LOT OF LOVE TO THE PUBLIC RELATIONS DEPARTMENT!

THEY'LL DO IT EVERY TIME

THEY'LL DO IT EVERY TIME

THEY'LL DO IT EVERY TIME

THEY'LL DO IT EVERY TIME

THEY'LL DO IT EVERY TIME

Illinois Would Receive \$562 Millions for Roads

WASHINGTON (AP)—Illinois would receive \$562,100,000 for new highway construction over a five-year period under the Gore bill which the Senate Public Works Committee has substituted for President Eisenhower's proposed 10-year program.

The bill, by Sen. Gore (D-Tenn.), would provide \$124 billion dollars in federal money over five years. Some Republican senators have attacked it as an effort "to sabotage the President."

The Senate committee approved the Gore bill last week by an 8-5 vote, substituting it for the 38-billion dollar, 10-year Eisenhower program.

In addition to the more than 12 billion in federal aid, the Gore bill would call for state expenditures boosting the total spending for roads over the five-year period to \$17,941,000,000.

Under the administration proposal about 26 billions, including 25 billion in federal money would be allotted for interstate highway building over 10 years. A bond issue—most controversial feature of the plan—would be used to raise 21 billions of the money.

The Gore plan proposes spending \$5,610,000,000 in federal-state money on interstate highways in five years on a gradually increasing basis. The total would include \$7,750,000,000 in federal funds.

Illinois' share of the federal money under the Gore bill would include \$39,400,000 for primary, secondary and urban roads and \$365,100,000 for the interstate highway network.

The totals include these amounts for various types of roads: Primary—\$15,700,000; secondary, \$9,600,000; urban \$14,100,000, and interstate \$47,100,000 in 1957; \$58,900,000 in 1958; \$70,700,000 in 1959; \$94,200,000 in 1960 and \$94,200,000 in 1961.

The test area was described as several hundred miles from the closest land and completely clear of fishing grounds and shipping lanes.

The test is to obtain information vital to defense against submarine attack.

Largest in Series

Sunday's Nevada blast—perhaps the last here for two years—was one of the largest in the series.

Hold Pair For Theft Of Meter

Two Dixon youths today were charged with petty larceny for the April 26th theft of a parking meter head from a post near the Ottawa Avenue and River Street intersection.

Donald Lowry, 18, and Robert Farster, 20, both of 417 First Ave., confessed the theft to Dixon police shortly before noon. The youths are scheduled to be bound over to county court this afternoon by a justice of the peace.

The youths were picked up this morning for questioning after the police department received a "tip" that they were responsible for the theft, according to Chief of Police Earl Keldner.

They face a maximum jail sentence of one year and/or a maximum \$100 fine. State's Atty. James Bales recommended the petty larceny charge.

Lowry admitted in a signed statement that he took the meter head from its post, broke it open with a wrench, took an estimated \$1.25 inside and threw the meter head over the Grand Detour bridge.

He added that he "had been drinking earlier in the evening" and took the meter "on a dare." Lowry, who lived in Grand Detour until only recently, said that he "thought that he was somewhat intoxicated at the time."

Farster admitted knowledge of the theft but claimed that he didn't take part in removing the meter from the post, taking any of the money, or throwing the meter into the river.

Police Court

Joseph F. Brookman, 38, Akron, Ohio, Sunday was fined \$5 by Police Magistrate Lawrence Boos for being drunk on a public highway.

He was arrested by State Police-man Delbert Wohlford.

Garlyne Wilson, Chicago, was fined \$10 Sunday by Justice of the Peace J. O. Shaulis, sr., for fishing without a license. He was arrested early Sunday by Conservation Officer James Liston.

Democrats Outline Own Legislative 'Must' List

By JACK BELL

WASHINGTON (AP)—Democratic Leader Lyndon B. Johnson of Texas outlined today a legislative program proposing passage of highway, housing, minimum wage and other bills but ignoring several of President Eisenhower's major recommendations.

Johnson told reporters he will call the Senate Democratic Policy Committee together early this week to discuss a schedule under which the Senate may go to work late in the week on a Democratic substitute for the President's 101-billion-dollar highway program.

He said he will ask Sen. Gore (D-Tenn.), author of the substitute, to explain it. He said he will call on Sen. Byrd (D-Va.) to recite objections to the administration's plan of financing road building through a bond issue.

Other Measures

Besides the highway, housing and minimum wage bills, Johnson said he expects the Senate to approve bills for foreign aid, health research, draft extension, military reserves, pay increases and government workers. A House approved bill to close tax loopholes, and the regular departmental money measures.

He said no decision had been reached yet whether action will be taken on a school aid bill.

Johnson's program apparently would ignore in the session presidential recommendations for a postal rate increase, Taft-Hartley labor law revisions, amendments to the immigration laws, reinsurance of private health plans, a proposed constitutional amendment to reduce the voting age and creation of a national transportation policy.

Finish In August

Republican Leader Knowland of California predicted in a separate interview that Congress will finish up the first week in August, and he said he hopes there will be a "good batting average" set on Eisenhower's proposals.

Voters Back Segregation School Board

MILFORD, Del. (AP)—Voters of the Milford school district, turning out in more than three times their usual numbers, have named a new four-man school board which has promised continued racial segregation.

A total of 3,260 votes were cast in the election Saturday, which had reflected undercurrents of the integration squabble here last fall. The School Board election usually draws only about 1,000 voters.

The winners promised to use "every legal avenue available to protect the rights of residents of the Milford district in the matter of segregation."

Trouble began here last September, soon after the School Board admitted 11 Negro students to the Lakewood Avenue High School.

When the State Board of Education refused to back the local board's action in admitting the Negroes, the four members quit.

An interim board out of the Negroes out of the school, and the Delaware Supreme Court upheld the ousting, ruling the local board had failed to comply with a requirement of the state board to submit a plan of integration before admitting the Negroes.

Veteran Employee General Manager Of Ottawa Paper

OTTAWA, Ill. (AP)—Edward J. Kelly, veteran employee of the Ottawa Daily Republican-Times, has been named general manager following the death of Publisher Fred A. Sapp, 78, on May 3.

Kelly started as a reporter in 1915. After World War I service, he returned to the newspaper and has been sports editor and associated with the advertising department since 1920.

Kenneth F. Sapp, of Atlanta, Ga., son of Fred A. Sapp, was named president of the Republican-Times Printing Co.

Divorce Court

Charles A. Scott, Dixon, Saturday filed a complaint for divorce in the circuit clerk's office against Eva Pearl Scott on the grounds of desertion.

The couple was married Dec. 26, 1951, in Oelwein, Ia., and separated April 15, 1954, when he claims she deserted him.

The winners promised to use "every legal avenue available to protect the rights of residents of the Milford district in the matter of segregation."

Trouble began here last September, soon after the School Board admitted 11 Negro students to the Lakewood Avenue High School.

Eight From Area Qualify for State Track

Dixon Will Send Two in Discus

Oregon, Rochelle Qualify 2; Amboy, Mt. Morris One Each

By NORM JOLLOW

(Telegraph Sports Editor)

ROCKFORD — Dixon, Oregon and Rochelle each will send two representatives and Amboy and Mt. Morris will send one each to the state track meet at Champaign, Friday and Saturday, as a result of their qualifying in the District tournament here Saturday.

Ken Sheely and Bill Dixon, who finished a surprising one-two won the right to go to the state in the discus. Oregon's Bob Reidesel won the 220 yard dash and Dick Haas was second in the high hurdles. Bob Bjorneby was second in the pole vault and Ron Hill was third in the shot but bettered the standard to win a berth.

Amboy will send Don Koch again in the pole vault and Mt. Morris will be represented by Don Henderson who was third but under the qualifying time in the 880 yard run.

Four Records

In all, 41 boys qualified from the district here for the State meet as

him at about the 180 yard mark and edged Walker at the tape.

Haas trailed West Rockford's Dick Northrup all the way in the 120 yard high hurdles, but was only a tenth of a second behind at the tape. Haas was clocked at :15.4.

Don Henderson of Mt. Morris, the 880 yard run wound up that way in a classic race where six broke the qualifying standard. Henderson was clocked at 2:01.6, his best time to date.

Don Koch of Amboy and Bjorneby of Rochelle were involved in another battle for the pole vault title as last year. However, Koch, who reported he had been having trouble getting over 10 feet in practice Friday, went 11'7 1/2" in the district to edge Bjorneby who was second. Last year this pair finished in a tie for first place.

Ron Hill of Rochelle was third in the shot put, but his 48'11" heave qualified him for the state.

Other Scorers

Other area boys who scored were Dixon's Otto Gerlach who was fifth in the 440 yard dash at :54.1; the Dixon mile relay team of Rudy Gasser, Gerlach, Bill Smith and Mike Phillips; Allen Cain of Byron who was fourth in the low hurdles and fourth in the broad jump with a 20'1 1/2" jump; Roger Hill of Rochelle who was fourth in the mile, just missing the qualifying time of 4:40 when he was clocked at 4:40.3; Charlie Koch of Amboy who was fourth in the shot with a 47'1 1/2" heave; Chuck Cleaver of Oregon who's 5'8 1/2" height was good for a fourth place tie in the high jump, and Oregon, 880 yard and mile relay teams, both fourth.

The summary (Boys qualifying for the state meet are listed in bold face type):

100-yard dash—1. Miller (DeKalb); 2. Adams (E. Rockford); 3. Smith (So. Beloit); 4. Reidesel (Oregon); 5. Johnson (E. Rockford). Time—:13.5.

220-yard dash—1. Reidesel (Oregon); 2. Walker (E. Rockford); 3. Adams (E. Rockford); 4. Elliott (Woodstock); 5. Larson (Hoonah). Time—:23.

440-yard dash—1. Terrenova (W. Rockford); 2. Goss (E. Rockford); 3. Adams (E. Rockford); 4. Corey (W. Rockford); 5. Gerlach (Dixon). Time—:52.8.

880-yard run—1. M. Smith (E. Rockford); 2. M. Smith (E. Rockford); 3. Henderson (Mt. Morris); 4. Mulford (E. Rockford); 5. King (E. Rockford); 6. Elke (DeKalb). All times—:2:01.6 (New record).

1 mile run—1. Bowers (DeKalb); 2. Hartman (Shannon); 3. Gassner (W. Rockford); 4. Reidesel (Oregon); 5. Towry (E. Rockford). Time—4:40.3 (New record).

120-yard high hurdles—1. Northrup (W. Rockford); 2. Haas (Oregon); 3. Fawcett (E. Rockford); 4. Reidesel (Oregon); 5. Walker (Rochelle). Time—:15.3.

880-yard relay—1. East Rockford; 2. DeKalb and Crystal Lake; 3. Oregon; 4. Cain (Byron); 5. Musser (Woodstock). Distance—21'1 1/2".

120-yard high hurdles—1. Northrup (W. Rockford); 2. Haas (Oregon); 3. Fawcett (E. Rockford); 4. Reidesel (Oregon); 5. Walker (Rochelle). Time—:15.3.

880-yard relay—1. East Rockford; 2. DeKalb and Crystal Lake; 3. Oregon; 4. Cain (Byron); 5. Musser (Woodstock). Distance—21'1 1/2".

1 mile relay—1. West Rockford; 2. East Rockford; 3. Freeport; 4. Oregon; 5. Dixon. Time—3:28.5 (New record).

High jump—1. Witte (DeKalb, Johnson); 2. DeKalb and Johnson (W. Rockford); 3. Johnson (Freeport); 4. Cleaver (Oregon); 5. Height—5'8 1/2".

Broad jump—1. Miller (DeKalb); 2. Smith (W. Rockford); 3. Fildley (W. Rockford); 4. Cain (Byron); 5. Musser (Woodstock). Distance—20'1 1/2".

Shot put—1. Don Anderson (DeKalb); 2. Peterson (E. Rockford); 3. Ron Hill (Rochelle); 4. Peterson (E. Rockford); 5. Johnson (Sycamore). Distance—41'6 1/2".

Discus—1. Sheely (Dixon); 2. Dixon (Dixon); 3. Peterson (E. Rockford); 4. Bowers (DeKalb); 5. Peterson (E. Rockford). Distance—145'10 1/2".

ROTARY PRACTICE

Rotary of the Dixon Jaycee-Park Board Major League will hold its regular practice at Reynolds field at 6:30 p.m. today.

East and West Rockford battled to a 41-41 tie for first place. DeKalb took second followed by Freeport, Oregon and Dixon.

Four records were set in the meet, headlined by Jim Bowers of DeKalb who was clocked in 4:25 in the mile. He broke his old record of 4:32.8 set last year.

Mike Smith of Freeport had to set a record to win the 880 yard run when an amazing finish found the first six boys all qualifying for state. Smith clocked at 1:59.3 in winning the event. The old record was 2:01.2 set by Bill Hills of East Rockford in 1930. Strangely enough, Dick Elke of DeKalb, failed to score a point in finishing sixth, but qualified for state as he was timed at 2:04, the state set standard for the event.

Best Discus Heaves

Al Walker of East Rockford set the low hurdles mark of 20.7 breaking the record held by Royce Miller of East Rockford. The old mark was 21, set in 1952.

West Rockford broke the 1952 Oregon mile relay mark set by Don Pazera, Bob Hanes, Dick Johnson and Dave Haas. Oregon's record was 3:33.1. West was timed at 3:29.5 in an event that gave West the tie for first.

In winning the discus, Ken Sheely got off the best throw of his career, a 148'10 1/2" heave in the preliminaries. That automatically qualified Sheely for the tournament. He failed to better it in the finals but no one else could catch it.

Dixon, likewise, got off his best toss, 143'7 1/2", as he took second place. Dixon's toss was also in the preliminaries and he was unable to better it in the finals.

Reidesel, who finished fourth in the 100 yard dash, found the longer distance of the 220 yard dash to his liking as he roared in :23. Al Walker of East Rockford took the lead but Reidesel caught

THESE EIGHT DIXON AREA TRACKMEN will compete in the state meet at Champaign this weekend. From left to right: Ken Sheely

and Bill Dixon, both of Dixon, who took first and second in the discus; Oregon's Dick Haas, second in the high hurdles, and Bob Reidesel, first in the 220; Mt. Morris' Don Henderson, third in the 880; Amboy's

Don Koch, pole vault winner, and Rochelle's Bob Bjorneby, second in pole vault, and Ron Hill, third in shot.

Dixon Golfers Finish Fourth in District

Rocky Puts Title on Line Fifth Time

No One Thinks Cockell Has Any Chance of Winning

SAN FRANCISCO (AP)—Undeclared Rocky Marciano puts his treasured world heavyweight title on the line for the fifth time tonight and practically no one thinks that challenger Don Cockell of England will take it away from the blockbuster from Brockton, Mass.

The 30-year-old champion has never been beaten in his 47 fights, dating back to his ring debut in July 1948, and the betting people are laying 8-1 that Rocky will run the incredible string to 48.

Few, indeed, give the pudgy, 26-year-old hog farmer from Horam much of a chance to last the full 15 rounds.

Marciano's blasting fists, they believe, will make the British Empire titleholder No. 42 on the Rock's kayo record.

The scrap will take place in San Francisco's largest football arena, Kezar Stadium.

NBC will broadcast at 9 p.m. CST.

There will be no home television. It will be televised on a closed circuit for screening in 83 theaters in 59 cities.

Marciano weighed 183 pounds when he wound up training—with a total of 210 rounds—two days ago at his camp 75 miles north of here at Galistoga.

Cockell, at suburban San Rafael, after 288 rounds of boxing and many long hours of similar labors, was down to 207.

The key question about the durable Cockell, however, is his nose. Sliced badly on the tip itself in the second Ezzard Charles fight last Sept. 17 in New York, the nose was given a plastic surgery repair job.

The champion and his manager Al Weill believe the nose will stand up under Cockell's punches. But no one really knows for certain because actually the nose has not been given a real belt. A special protective mask was devised to protect it against his sparring mate's blows.

The main blot on Cockell's record, is the technical knockout he suffered at the hands of Randy Turpin June 10, 1952. Turpin had Cockell down three times and the fight was stopped in the 11th round.

By The Associated Press

Every day in every way Detroit's Harvey Kuenn is proving he not only is the American League's outstanding shortstop but also one of the best young hitters in baseball.

With the possible exception of outfielder Al Kaline, who suddenly burst into prominence among the power hitters of the circuit, Kuenn has been the big force in the Tigers' surprise showing in the first five weeks of the campaign.

The \$55,000 bonus beauty was the Tigers' big hitter Sunday as the fourth-placers divided a doubleheader with Boston and stayed within 4 1/2 games of the league-leading Cleveland Indians. Kuenn got three hits in the first game, won by Boston 10-4, and four in the second, won by Detroit 9-4. He scored three times, drove in two and boosted his batting mark to a runner-up .338.

Rock Falls Tops Dixon Jr. Legion

A six-run outburst in the ninth inning broke a 6-6 tie and gave Rock Falls a 12-6 victory over the Dixon Junior American Legion baseball team here Sunday.

The contest was regarded as a practice session by both managers, who took the opportunity to test their charges under fire.

Dixon manager Red Flanagan said that Dixon's showing was "encouraging" in spite of the loss. "We made a lot of mistakes that we won't make when the games count," Flanagan stated. Throwing errors were the local team's biggest problem.

John (Smoker) Rink was the target for Rock Falls' ninth inning outburst. He gave up three hits, including a long home run blast by Huffman of Rock Falls, walked three and was charged with six unearned runs.

Rink was the last of four pitchers for the Dixon nine. Don Watkins worked the first three innings, giving up two walks, no hits and four runs. Maurice Figeley took over in the fourth and was nicked for four walks, three hits and two runs. One of the hits off Figeley was a homer by Dolan.

Corky Ribardy came on in the seventh and gave up two hits but held Rock Falls scoreless in the two innings he worked.

Dixon's batting power was held to three hits. Fred Toole, John Wooten and Dick Rink accounted for the hits, all singles.

Flanagan cited Bob Hill and Coleman, Dixon catchers for good work. He also expressed pleasure with the work of Wooten at shortstop and Bobby Fane as a defensive first baseman.

Dixon will take on the 'Old Timers' in another practice game at 6 p.m. Thursday.

McGrath Sets '500' Mark

INDIANAPOLIS (AP)—John James (Smiling Jack) McGrath hasn't won the 500-mile Memorial Day auto race in seven attempts but he's the Indianapolis Speedway champion when he has the track to himself.

He powered qualification records for the 2 1/2-mile track Sunday and won his favorite outside spot in the front row for the fifth time in the last seven years.

He set a one-lap record of 143.783 miles an hour and a 10-mile record of 142.580. Nobody ever before hit 142 officially on the 4 1/2-year-old track.

The wiry Inglewood, Calif., master mechanic and driver watched Bill Vukovich take the year-old record and then removed it from Vukovich.

Vukovich, of Fresno, Calif., who has won the last two Memorial Day races, drove his Hopkins Special 10 miles at 141.071, beating McGrath's old mark of 141.033.

Harrison Wins Golf Tourney

WHITE SULPHUR SPRINGS, W. Va. (AP)—Dutch Harrison proved again Sunday that consistency is the way to win golf tournaments by winning the White Sulphur Springs Open.

Harrison, the 45-year-old Dutchman, plied finished the 72 holes with 263 strokes on a final par 70. He had rather routinely beaten par by four strokes each of the first two rounds and by three on the third.

Only Ed (Porty) Oliver had a chance to overtake Harrison when he came up to the last tee. He needed only a par 3 to tie and a birdie to win. But, instead, Oliver got his only bogey in a sensational round of 64.

The dramatic letdown left Oliver with a 75, tied with Jack Burke Jr., Mike Souchak and Peter Thomson of Melbourne, Australia, a stroke behind Harrison.

Ben Hogan finished third with Sam Snead fourth.

MAJOR LEAGUE LEADERS

BATTING—Harvey Kuenn, Tigers—Batted seven hits as Detroit divided a doubleheader with Boston, 10-4 and 9-3.

PITCHING—Dick Donovan, White Sox—Pitched a three-hit 3-0 victory over Washington for his fourth triumph of the season and his third shutout.

Mt. Morris Fifth; Hubs Ninth; Oregon; Eleventh

ROCKFORD (Special)—Dixon's high school golf team took fourth place in the district golf match here Saturday with total strokes three ahead of Mt. Morris and Newman, tied for fifth place, but well behind the top three of East Rockford, Freeport and West Rockford.

Rochelle was ninth with 380 strokes and Oregon was tied for 11th with 387 strokes.

Utley Noble paced the Dukes as he fired a 42-44-86. Jim Schroeder was next with a pair of 44s for 88; John Peterson was third with a 49-43-92 and Dick Oates was fourth with 52-43-95.

Those four were low and their scores counted in the match. Bob

Dixon's eighth grade track team lost by the margin of a half point here Saturday in a triangular meet with Sterling and Rock Falls.

Sterling won the meet with 50 1/2 points to 50 for Dixon and 45 1/2 for Rock Falls.

Chuck Brainard won the 50 and 220 yard dashes for Dixon and Leroy Anderson won the 100. Dixon's 440 and 880 yard relay teams also won. In a near miss, Ed Bross of Dixon was barely edged in the 440 yard dash.

Sterling also won the seventh grade meet with 76 1/2 points to 48 1/2 for Rock Falls and 23 1/2 for Dixon. Bill Lawson won the 50 yard dash for Dixon.

(Summaries in Tuesday's paper.)

Hess also had a 95. Henry Noble had a 96. Dick Thomas had a 102 and Charles Lesage had 111.

Mt. Morris' scoring was not available but the Mounders had scores of 86, 90, 94 and 94 for 364 strokes.

Ron Orman finished in a tie for fourth place in the individual match with a 42-39-81 but lost the fourth place medal to Moren of Freeport in a play-off. Other Rochelle scoring was done by Ray Rippi, 53-46-99; Phil Sanderson, 49-50-99 and Dave Willette, 53-48-101.

Danny Etnyre led Oregon with a 43-41-84. Lanny Kiest had 50-48-93; Tim Sassaman had 54-50-105 and Wilbur Knutson had 50-51-101.

Roger Johnson and Marty Klondike of East Rockford and Bill Jorman of Freeport tied for medal honors with 78. Since Johnson and Klondike both are eligible for the state meet with the winning team, Dorman was awarded second place and will go to state, while Johnson and Klondike will play for the first place medal.

Investigation

PHILADELPHIA (AP)—The Pennsylvania Athletic Commission summoned heavyweight Hattori Johnson, his manager and handlers to the opening of its hearings today on Johnson's mysterious collapse in a televised fight with Cuban Heavyweight Julio Mederos.

The hearings are expected to involve not only the Johnson fight but also the whole Pennsylvania boxing picture. Boxing in the state has been suspended for 90 days, because Johnson was reportedly drugged prior to the May 6 bout.

The Duke golfers didn't fair so well as they probably had hoped in Saturday's District meet also held in Rockford. However, finishing fourth as a team is very creditable when we consider that only three Big Eight teams—East Rockford, Freeport and West Rockford—finished with lower totals than Dixon's. The Dukes have an enthusiastic group of young golfers this year. There are brighter years ahead on the links for Dixon High.

Dacron and Wool comprise a perfect blend for a pair of light weight SLACKS that both have that well-tailored look and also keep a press! Their original cost is a little more than that of ordinary slacks, but they are our best sellers because they really keep their shape.

SPORTS

VISIONS

WHAT'S THE SCORE

by Norm Jollow

THE DIXON DUKES did far better than expected in the district tournament. Beside scoring 11 points, good for sixth place in the meet, and sending two boys to the state meet this weekend, the Dukes got top performances from all boys competing in the meet.

Otto Gerlach, who won a fifth place in the 440-yard run, was first in his heat, and Bill Smith, with whom Gerlach has been holding a running battle for the top 440 man here finished right behind him.

BILL BEANBLOSSOM, a steady miler who hasn't been able to win a race, was the best in the slow heat Saturday with a clocking of 4:57.2. That wasn't good enough to win a point, but it was Bill's time of the season.

Rudy Gasser, Dixon's big hope in the 880-yard run, was another Duke shoved into a slow heat where he finished second, clock at 2:05.5.

DIXON WASN'T THE ONLY SCHOOL that got special performances, from the non-scorers.

From Mt. Morris, Dave Bechtold was among the six qualifiers in the 100-yard dash. He was timed at :10.7 but then wound up sixth in the finals.

OREGON'S JIM ROBSON qualified in :22.2 in the low hurdles but ran sixth in the finals.

Conference action headlines the week's schedule with three loops ready to run for the track honors on Tuesday. Polo will host the Blackhawk meet, Morrison will entertain the Illowa conference and Sheffield will be the site of the Little Eight conference meet.

DIXON WILL JOURNEY TO STERLING for its annual meeting with the neighboring school. That meet will be Tuesday after the frosh-soph contingent meet in Dixon today.

The track week climaxes, of course, with the state meet at Champaign on Friday and Saturday. State tennis and golf meets are also on the Champaign docket. The net tourney starts Friday while the golf championship will be decided on Saturday.

The Morning After ...

By "FRIDAY"

BOWLING BANQUETS

This week brings the end of the year's bowling banquets with four of them scheduled on different nights. Tonight at 8:30, the Lincoln Lanes Classic League has its banquet at Plum Hollow, when the prizes and checks will be awarded to the different winners. Tomorrow (Tuesday) night the Vets League has its get-together at the Vets Club at 6:30.

Tuesday, May 17, the Lincoln Lanes Classic League has its banquet at Plum Hollow, when the prizes and checks will be awarded to the different winners. Tomorrow (Tuesday) night the Vets League has its get-together at the Vets Club at 6:30.

The members and sponsors of the various league teams are urged to attend these banquets as they are paid for during the season by the league leaders.

MEN'S CITY TOURNAMENT

Over the weekend the closing shifts of the city tournament, saw lots of action with Ned Sack and Jim Crombie taking the doubles lead with 1225 and Dwight Hintz rolling into the top spot in the singles with 898. The leaders in the different individual events are:

DOUBLES
Ned Sack-Jim Crombie 1335
Jack Burke 1265
Dale Sennett-John Smith 1273
Barney Marshall-Shirley Rele 1235
Gene McAmara-John Rohr 1231

SINGLES
Dwight Hintz 898
Art Shippert 867
Jack Burke 865
Fay Keck 861
Bob Houck 857
Bill Ceschetti 857

ALL EVENTS

Glen Hughes 1584
Art Shippert 1465
George Lebre 1464
Roy Fitzsimmons 1535
Dale Weidman 1356

The complete list of prize winners will be published as soon as we receive the doubles, singles and all events official list. The team prize winners go down to 2501 as the last spot.

We've had no report on the prize winners in the Women's City tournament, held at the Lanes, and consequently can make no report on this event.

Three Killed In Smashup At Sheffield

SHEFFIELD, Ill. (U.P.) — Three Illinoisans were killed and another hospitalized Sunday night in a two-car collision near Sheffield in Bureau County.

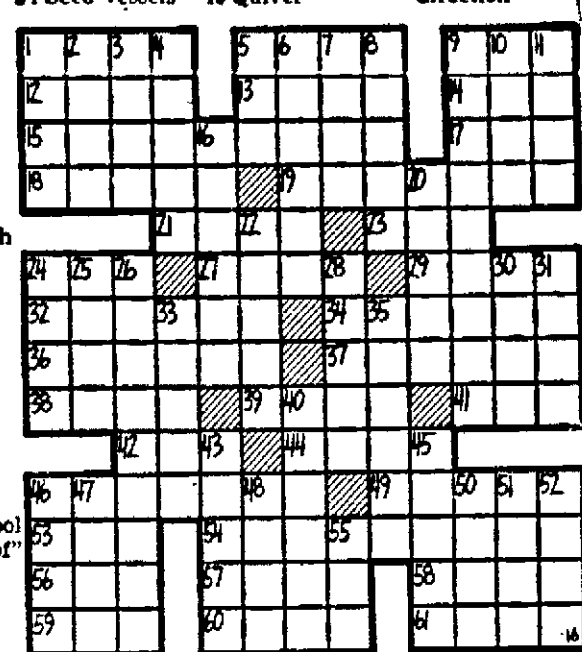

The dead were Arnold Krueger, 21, of Princeton; Phyllis Tumbleson of Bradford and Hazel Marie Prehara of Kewanee. Krueger's brother, Carroll, 27, was hospitalized at nearby Princeton.

Authorities said the Krueger car collided with another driven by Joe Van De Velde of Tampico, who suffered cuts and bruises. Police said they were unable to determine the driver of the Krueger car.

The accident occurred at the junction of Highways 6, 35 and 88 near Sheffield.

Eisenhowers Settle Down In Gettysburg

WASHINGTON (U.P.) — President and Mrs. Eisenhower are taking part in community life at Gettysburg, Pa., in a way that delights the townfolk.

The role they have played since recent completion of their new country home there is a restricted sort of thing, of course. In Gettysburg, though, they are getting around and becoming acquainted with many people whom they probably will learn to know much better when the President and his wife retire to their farm.

The President has given no indication whether he will seek a second term. But it's easy to see that he and Mrs. Eisenhower are taking more and more interest in their new home and in the community.

Sunday the Eisenhowers, regular churchgoers in Washington, attended services for the first time in Gettysburg.

The worshipped at a vine-covered Presbyterian church where Abraham Lincoln attended a patriotic service a few hours after delivering his Gettysburg Address Nov. 19, 1863.

It was Mrs. Eisenhower's second appearance in downtown Gettysburg in four days. Last Thursday, there were surprised cries of "There's Mamie" when she shopped at a grocery store and 5 and 10.

The President has begun playing golf at the Gettysburg Country Club, close by his farm. The members try to make him feel at home by keeping the routine as close to normal as possible when he is there.

He and Mrs. Eisenhower returned to the White House Sunday evening.

Shoptlifting Problem in Model City

PARK FOREST, Ill. (U.P.) — Housewives with itchy fingers are the biggest headache of a suburban police chief.

Police Chief Milan Plavisk said Sunday that 30 supposedly respectable wives and mothers in Park Forest have been prosecuted for swiping things, mostly groceries from supermarkets.

The tough part, says Plavisk, is breaking the news to the husbands. "At first, they always refuse to believe their wives are guilty. It couldn't happen to that sweet girl they married."

Plavisk says he has been handling the cases in such a manner as to exact restitution, but keeping the wives out of jail and available for their next bridge club meeting. He says he thinks they learn their lesson.

"We've never had a repeater," he says.

Car Plows Into Troops, 29 Hurt

SAN ANTONIO, Tex. (U.P.) — A car plowed into a formation of basic trainees marching to KP duty at Lackland Air Force Base before dawn Sunday, injuring 29.

Nine were hospitalized with fractures. The others were treated for minor injuries. Roger K. Simpson was listed as the driver. He said darkness and light mist kept him from seeing the men until too late.

Authorities said Simpson was not speeding.

None of those hospitalized was from the Midwest.

Elgin Watch Earnings Down

ELGIN, Ill. (U.P.) — Net earnings of \$1,563,751, equal to \$1.71 a share, were reported Sunday by the Elgin National Watch Co. for the fiscal year ended Feb. 28. The company reported net earnings of \$2,049,000 or \$2.24 a share for the calendar year ended Dec. 31, 1953. J. E. Shennan, president, attributed the decline to a 20 per cent price reduction promotion on its watch line last spring.

Woman Keeps Vice Squad Very Busy

BALTIMORE (U.P.) — Sgt. Vincent Serio of the Baltimore vice squad got a call from a woman who told him her husband was spending all his money in poker games and she was starving as a result.

Where was he? asked the sergeant.

She gave him an address, and he dispatched two patrolmen to the spot. They broke up a card game, hauled six men to jail.

But the phone rang again. "You didn't get him," said the same voice. She explained she had learned that her husband had floated from the game before the police got there. She gave Serio a new address.

Off went the vice squad again. They broke up two games, took in nine players.

But the phone rang again. Same woman, same complaint, new address.

The next call brought in 13 more sporting gentlemen. It made a grand total of 25 players arrested in five card games.

The woman never did give the police her name, but Serio figures they got her husband in the last haul. She didn't call back.

400 FIRE HYDRANTS

Fire Rout Worshippers

CHICAGO (AP)—Fire interrupted High Mass in St. Vincent's Catholic Church Sunday but some 500 worshippers filed out quietly. No injuries were reported.

The Mass celebrant the Rev. John Murphy, first noticed smoke behind the choir loft. He and the Very Rev. James Flannery, head pastor, halted services and ordered the congregation to file out.

Origin of the fire in the 80-year-old structure on the near North Side was not determined. Several thousand persons watched firemen fight the flames which spread along the peak of the church roof. Father Murphy said damage may exceed \$200,000. He said a \$200,000 organ and nine "praises" stained glass windows were destroyed.

**LOCKMAN IS
COMING!**

Main Breaks, Large Chicago Area Flooded

CHICAGO (AP)—An estimated \$250,000 damage resulted Sunday when a 48-inch water main burst and created a local flood condition near U. S. Steel's huge South Side plant.

The water main burst in the yards of the South Chicago works plant. It sent water flooding through the plant area and inundated several blocks of nearby residential areas.

A temporary curtailment of steel making operations was forced by the rising water. Normal production was expected to be resumed today.

Edward Johnson, fire chief of the 14th Battalion who estimated the damage, said electric power was shut off in the area temporarily as a precautionary measure. The area hardest hit by the flood was between 83rd and 86th streets and Burley Ave. and Lake Michigan.

More than 114,000 waterfowl spend their winters in Michigan, according to estimates.

Heir to Fortune Dies in Crash

JUNCTION CITY, Kan. (AP)—A 20-year-old heir to \$3,400,000 was killed Sunday when his car crashed into a bridge 15 miles west of Junction City.

John W. Baughman II was killed half of his grandfather's estate appraised at \$3,400,000 last December. It was to be held in trust until he was 35. Four nieces and a nephew now may share in the \$3,400,000.

Baughman, a Kansas State college student whose home was at Liberal, Kan., was alone in the car. Officers said he apparently fell asleep at the wheel.

Rodney Brodie Still Critical

CHICAGO (AP)—Young Rodney De Brodie, surviving Siamese twin, remained in critical condition today.

Rodney, now 3½, who was successfully separated from his head-joined twin brother Roger 29 months ago, was operated on May 5 in an unsuccessful attempt to halt a brain hemorrhage. The bleeding apparently halted spontaneously a few days later. Roger died 34 days after the separation operation. Rodney improved steadily until the hemorrhage appeared. The boy had been staying with his family near Peoria, Ill.

Stratton Urges Ike to Run Again

DANVILLE, Ill. (AP)—Gov. Stratton says he has urged President Eisenhower "both privately and publicly" to seek reelection.

Stratton didn't say now the President reacted to his suggestion. Stratton made the statement in an interview Sunday prior to ceremonies at the Veterans Administration Hospital.
